The Bookseller ,1861 *The Saturday Review of Politics, Literature, Science and Art* ,1861 **Catalogue of the Libraries** Sydney Mechanics' School of Arts, N.S.W.,1892 *Catalogue of the Lending Library* Free Public Library and Museum (Derbyshire, England),1879 *Catalogue of the Library of Congress ; Index of Subjects, in Two Volumes* Library of Congress,1869 *The History of England* Thomas Macaulay,2006-04-27 One of the greatest figures of his age Thomas Babington Macaulay 1800 59 was widely admired throughout his life for his prose poetry political acumen and oratorical skills Among the most successful and enthralling histories ever written his History of England won instantaneous success following the publication of its first volumes in 1849 and was rapidly translated into most European languages Beginning with the Glorious Revolution of 1688 and concluding at the end of the reign of William III in 1702 it illuminates a time of deep struggle throughout Britain and Ireland in vivid and compelling prose But while Macaulay offers a gripping narrative and draws on a wide range of sources including historical accounts and creative literature his enduring success also owes a great deal to his astonishing ability to grasp and explain the political reality that has always underpinned social change

Catalogue of the Library of Congress: Aargau to Lichfield Library of Congress,1869 *The Last Lion: Volume 2* William Manchester,2012-11-06 The second volume of William Manchester s masterful account of Winston Churchill s life Alone is the second volume of William Manchester s brilliant three volume biography of Winston Churchill In this volume we witness the war within before the colossal war to come During this period Churchill was tested as few men are relentlessly pursued by creditors disowned by his own party vociferously dismissed by the press as a warmonger and twice nearly lost his seat in Parliament Yet despite his personal and political troubles Churchill managed to assemble a vast underground intelligence network both within the British government and on the continent which provided him with more complete and accurate information on Germany than the British government Recognizing the horrifying truth Churchill stood almost alone against Nazi aggression and the sordid British and French policy of appeasement Manchester s luminous portrait never loses sight of Churchill the man a man with limitations especially his callousness toward others including his supporters and his recklessness which could border on the foolhardy but also a man whose vision was global and whose courage was boundless Here is Churchill as a light in the approaching darkness readying himself for the terrible stand to come **The Last Lion Box Set** Paul Reid,William Manchester,2012-11-20 Universally acclaimed for their compelling narrative their fresh insights and their objective renderings of Winston Churchill s life The Last Lion trilogy presents a revelatory and unparalleled portrait of this brilliant flawed and dynamic adventurer aristocrat soldier and statesman Born at the end of the 19th century when Imperial Britain still stood at the splendid pinnacle of her power Churchill would witness the shift a few years later as the Empire hovered on the brink of a catastrophic new era One of the greatest wartime leaders of our time he would go on to stand alone politically isolated in Parliament as he took the lead in warning of the growing Nazi threat and would lead Britain

to victory against Nazi Germany and the Axis powers in World War II Now celebrated historian William Manchester's landmark biographies are collected together for the first time along with the eagerly anticipated final installment Churchill's last years in power More than thirty years in the making *The Last Lion* is the definitive work on this remarkable man whose courageous vision guided the destiny of a nation during darkly troubled times and who looms as one of the greatest figures of our century *Catalogue of Books Added to the Library of Congress* ,1861
