After being diagnosed with retinitis pigmentosa Dr Elaine Leong Eng, author of *Martha Martha How Christians Worry*, knew she had to make important life changes. This genetic disease would soon cause her eyesight to fail. Her impending blindness meant that she would no longer be able to practice as an obstetrician-gynecologist. Her family life would never be the same nor would her self-image. *A Christian Approach to Overcoming Disability: A Doctor's Story* is the poignant and inspiring story of Dr Eng's ultimately triumphant struggle with an untreatable illness and a life-changing disability. Once I heard the diagnosis I knew it was God's way of granting my prayer to be a full-time mom to my babies. God had prepared my heart to accept this news. This so-called tragedy in my life was very much for the good. I had the chance to see and care for my children during those precious young years. To play with them, sing songs, teach them, feed them and do all those wonderful mothering things that many take for granted. And now that they are grown I can see in my mind's eye all those great images and memories I enjoyed in motherhood so much that I would not have changed my life in any way if given the chance. This autobiographical book articulates the challenges faced by the blind and offers faith-based and psychological techniques for coping with disability. It highlights dozens of Scriptural passages that can provide an important foundation for coping and draws upon Dr Eng's experience as a psychiatrist to identify important issues and feelings about blindness and its psychological and emotional impact on every aspect of life. In this insightful book you'll find firsthand information about the experience of becoming disabled and about living with even celebrating that disability and the new opportunities it presents insight about what family, friends, students

and colleagues go through when someone close to them becomes disabled biblical references that demonstrate the importance of God in meeting physical challenges important scriptural foundations for coping practical techniques for coping with disability from both religious and psychological perspectives advice on overcoming the feeling of being damaged goods and other problems of self esteem common to the disabled A Christian Approach to Overcoming Disability will inspire you with its message of hope It offers insights about finding inner peace no matter what hand life has dealt you and making the most of whatever God has planned for your life Anyone who knows a Christian who has any type of physical disability will benefit from reading this book *Rose Book of Bible Charts, Maps, and Time Lines* Rose Publishing (Torrance, Calif.),2005 New 10 year anniversary edition of the bestselling book reproducible Bible charts maps and time lines Can reproduce up to 300 copies for students Back cover *The Holy Bible & Mormonism* Christopher Mills,2009 A growing number of people are critical of Mormons religious beliefs and practices They criticize the Mormon faith by using the Bible as a tool to separate the Mormons from other Christian sects In his first book Christopher Mills walks us through quotes from the Holy Bible in order to demonstrate how Mormonism is a true Christian faith and how the Holy Bible upholds their beliefs and practices
