Nurturing Children In The Lord:

Nurturing Children in the Lord Jack Fennema, 1977 **Nurturing Child and Adolescent Spirituality** Karen-Marie Yust, 2006 *Nurturing Child and Adolescent Spirituality Perspectives from the World's Religious Traditions* provides a forum for prominent religious scholars to examine the state of religious knowledge and theological reflection on spiritual development in childhood and adolescence. Featuring essays from thinkers representing the world's major religious traditions, the book introduces new voices, challenges assumptions, raises new questions, and broadens the base of knowledge and investment in this important domain of life. It specifically and intentionally focuses on theological and philosophical perspectives from within religious traditions, creating space for the religious traditions to find their voices. *Nurturing Child and Adolescent Spirituality* is firmly grounded in the language and priorities of religious studies and helps stimulate explorations of whether and how religious communities are tapping their own wisdom and strengths in nurturing today's young people in a complex and changing world. *Nurturing Child and Adolescent Spirituality* will set the stage for new waves of scholarship and dialogue within and across traditions, disciplines, and cultures that will enrich understanding and strengthen how the world's religious traditions and others understand and cultivate the spiritual lives of children and adolescents around the globe.

Raising Kingdom Kids Tony Evans, 2014-08-22 From the bestselling author of *Kingdom Man* and *Kingdom Woman*, *Raising Kingdom Kids* equips parents to raise their children with a Kingdom perspective and also offers practical how-to advice on providing spiritual training as instructed in Scripture. Dr. Tony Evans begins with an overarching look at the need for Kingdom parenting, our roles and responsibilities in raising God-following children, and how to prepare children to take on the assignments God has for their lives. He then takes a practical turn with examples and illustrations to help parents understand and provide specific training for kids in the power of prayer, wisdom, loving God's Word, getting through trials, controlling their tongues, developing patience, the surrender of service, and much more. This book is for every dad or mom who wants to fulfill the parenting role God has given them, not just in raising healthy kids intellectually, physically, and socially, but in contributing to their child's relationship with God and alignment under His plan.

Children's Ministry Lawrence O. Richards, Larry Richards, 1988 This book combines both biblical and theological foundations for children's ministry with a careful assessment of other issues in nurturing children, such as developmentalism, the context of learning and growth, values, cognitive abilities, and social relationships.

As parents, we have a sacred opportunity to help our children find their way, the way they were created to go.
