2 Corinthians R. Kent Hughes,2006-02-02 During Paul s ministry Corinth was a newly rebuilt bustling important city in the Roman Empire It was a place full of pride individualism wealth and religious pluralism No wonder its inhabitants held little regard for Paul s message Sound familiar Our contemporary culture has much in common with ancient Corinth The relevance of this book to churches today is astounding Paul delivers powerful theology that turns the values of the ancient Roman world upside down the grace of God the centrality of the cross and God s power made perfect in weakness He challenges us to live counterculturally In this commentary on 2 Corinthians Pastor R Kent Hughes carefully examines this letter from the apostle Paul to the church in Corinth continuing to provide rich biblical insight for the body of Christ Part of the Preaching the Word series

2 Corinthians (Word and Spirit Commentary on the New Testament) Ben Witherington, III,2024-10-29 The Spirit who inspired the authors of the New Testament is at work today around the globe as evidenced by the explosive growth of pentecostal charismatic and renewalist movements There is a clear need for a balanced affordable and accessible commentary series aimed at Christians who identify as Spirit filled The Word and Spirit Commentary on the New Testament series emphasizes how we listen alongside ancient audiences for the Spirit s voice in our time and contexts Written by pastorally sensitive biblical scholars from the Spirit filled tradition these commentaries explore how God works in the biblical texts and how Christians can expect God to work today even if in new or culturally surprising ways Series editors are Holly Beers Westmont College and Craig S Keener Asbury Theological Seminary In this addition to the series senior scholar Ben Witherington III engages 2 Corinthians in its ancient setting and explores its message for Spirit filled Christians today

Images illustrations and sidebars on pentecostal charismatic revival history or insights are included *Expository Preaching in a World of Spiritual Nominalism* R. T. Johnson Raih, 2021-10-06 The spiritual decay of nominalism threatens the established church worldwide While spiritual lethargy is often addressed from the perspective of theology and discipleship little attention has been given to the role of homiletics in revitalizing a congregation s spiritual health In this study Dr Johnson Raih explores the impact of preaching on members of Baptist churches in Imphal Manipur India from 2000 to 2015 He utilizes interviews and questionnaires from pastors church leaders and lay members to assess the presence of nominalism within church congregations along with the effects of various preaching methods on increasing or decreasing spiritual vitality Combining this qualitative research with scriptural and theological insight Raih suggests that expository preaching has the power to confront and even eradicate nominalism within the church He draws on biblical examples along with the methodology of John Stott and Timothy Keller to offer ten practical recommendations for countering nominalism homiletically whether in Imphal India or around the world *Christian Nurture Series* Episcopal Church.
