Brereton Greenhous, [First World War in the Air: 5 Minute History](#) Norman Ferguson, 2014-04-07 How much can you really find out about the War in the Air during the First World War in five minutes This handy little history book will surpass all your expectations and leave you well versed on all you wish to know and maybe even a little bit more Who was the highest scoring ace Which plane looked like a dog begging What was the Black Flight How many died in the first Blitz What was the Fokker Scourge Jam packed with facts stats and first hand accounts of the action all woven together in an accessible way by an expert in the field this 5 Minute History is a valuable addition to anyone's bookshelf ready to be delved into at a moment's notice [The Canadian Experience of the Great War](#) Brian Douglas Tennyson, 2013-05-01 Although the United States did not enter the First World War until April 1917 Canada enlisted the moment Great Britain engaged in the conflict in August 1914 The Canadian contribution was great as more than 600 000 men and women served in the war effort 400 000 of them overseas out of a population of 8 million More than 150 000 were wounded and nearly 67 000 gave their lives The war was a pivotal turning point in the history of the modern world and its mindless slaughter shattered a generation and destroyed seemingly secure values The literature that the First World War generated and continues to generate so many years later is enormous and addresses a multitude of cultural and social matters in the history of Canada and the war itself Although many scholars have brilliantly analyzed the literature of the war little has been done to catalog the writings of ordinary participants men and women who served in the war and wrote about it but are not included among well known poets novelists and memoirists Indeed we don't even know how many titles these people published nor do we know how many more titles were added later by relatives who considered the recollections or collected letters worthy of publication Brian Douglas Tennyson's *The Canadian Experience of the Great War A Guide to Memoirs* is the first attempt to identify all of the published accounts of First World War experiences by Canadian veterans **Air University Library Index to Military Periodicals** , 1988

Propaganda and Censorship During Canada's Great War

Jeff Keshen,1996-07 They expected the brave and Christian conquering heroes manufactured by the opinion makers rather than the combat scarred weary and often embittered men who disembarked back in the Dominion It took another decade of less filtered information ten years of pain and dislocation for returned veterans before the Great War imagined by Canadian noncombatants began to resemble the war really experienced by Canadians overseas

strikes twice Peter Liddle,J. M. Bourne,Ian R. Whitehead,2000 *Laugh or Fly* Peter Hart,Gary Bain,2024-09-30 A rip roaring gallop through the lives of the Royal Flying Corps air crew in the Great War They lived their lives amidst a strange dichotomy as they moved from safety to dire danger and back again in a matter of hours This created a dreadful strain that could soon shred anyone s mental health On the ground they were cloistered in simple but adequate accommodation several miles behind the lines Farmhouses barns and huts were used but they were all far better than the squalor faced by the infantry scurrying in their muddy trenches Flying personnel were blessed with beds and blankets They could set up a decent mess and socialise to their heart s content A smorgasbord of entertainments with perhaps an old out of tune piano access to drink and occasional vigorous games of mess rugby There were visits to local towns which offered tantalizing glimpses and sometimes more of the female of the species A glimpse was probably never enough for most of these very young men What more could a chap want But when they were flying over the front it was no laughing matter Death lurked in the skies zooming in its winged chariots out of the sun or bursting from the clouds A moment s loss of concentration or tactical blunder

could consign them to being shot down and falling thousands of feet until the crunching impact of terra firma brought a terrible relief But better that than a punctured petrol tank the first flickers of flame then the roaring inferno and the agonies of incineration There was little or nothing for them to laugh about in the air But when back on the ground they tried to put aside their fears We Wasn't Pals Barry Callaghan, Bruce Meyer, 2001 Ignored by critics and readers of the time these poems were written by Canadians who witnessed the horror of World War I first hand forming an anthology in which the forgotten experiences of a decade are finally remembered *Billy Bishop* Dan McCaffery, 2002-10-15 Billy Bishop was fiercely ambitious driven by an undisguised hatred of his enemies He played hard and fought even harder A highly skilled pilot and a crack shot top gun of the Allied air forces by 1918 Bishop was the most highly decorated war hero in Canadian history He remains the most controversial Some of Bishop's fellow pilots were repelled by his grandstanding and suspected he was deliberately inflating his number of kills Since then the claim has been repeated by many others This issue is at the heart of *Billy Bishop Canadian Hero* In this updated second edition author Dan McCaffery reviews the evidence in support of his account of what Bishop really did in the skies over France setting the record straight about one of this country's most famous and controversial figures *Directory of History Departments and Organizations in the United States and Canada*, 2005

Venus Passing Dan Azoulay, 2025-09-19 Historians have written a great deal about the military aspects of Canada's Great War but little about the most intimate dimension of Canada's wartime experience heterosexual romance Did romance influence a man's decision to go to war or his behaviour on the battlefield How did women who were left behind or widowed cope without their loved ones How did lonely and sex deprived soldiers cope Did they remain faithful to their wives and girlfriends And what effect did prolonged separation have on couples on their feelings for one another and on their mental well being Readers looking for answers to such questions will find them here In this unique study which draws extensively upon the letters diaries and memoirs of the men and women of the time Dan Azoulay argues that the Great War essentially killed Canadian romance both at the time and for years to come Opportunities for true romance dwindled overnight Soldiers military nurses and civilians alike subordinated romance to more patriotic priorities Couples were driven apart their relationships strained by distance and infidelity Lonely soldiers with limited leisure time resorted to superficial fast romance including dalliances with prostitutes Thousands of men never returned and those who did were never the same Readers will find much that is amusing in this account but they will also be saddened for this is a story less of triumph than tragedy where Vimy Ridge and the last 100 days symbolize not so much the birth of a nation as Cupid's demise For anyone interested in the human devastation of war *Venus Passing* will cause them to see the Great War from a new perspective one that brings the trials of this lost generation to life in a way no other book has yet done
