, Musings of a Global Nomad Raja Lala, 2014-03 Ray likes to think of himself as a global nomad belonging everywhere in general and nowhere in particular Now in his thirties he jumps at the opportunity to take a six month sabbatical offered by his company But as he walks to the airport gate Ray feels a bit of trepidation he ll be giving up his normal life friends family sports hobbies and his usual daily life while he backpacks for the coming half year From Thailand to Cambodia and Vietnam Ray explores cultures sees breathtaking sights and savours the cuisine of his many stops He makes new friends and takes time to examine his life as a single man It s a discovery of places and parts that Ray has forgotten existed while he toiled away in the corporate rat race Although he begins his trip without any ambition of finding himself or the like he is increasingly intrigued by the question of what he wants from the rest of his life Will he find love and a lifestyle that makes him happy Raymond, ou: L'hermitage du naufragé Victor Escousse, Auguste Lebras, 1832 *Raymon* Mario Uchard, 1862
