Through Vegetal Being Luce Irigaray,Michael Marder,2016-07-05 Blossoming from a correspondence between Luce Irigaray and Michael Marder *Through Vegetal Being* is an intense personal philosophical and political meditation on the significance of the vegetal for our lives our ways of thinking and our relations with human and nonhuman beings The vegetal world has the potential to rescue our planet and our species and offers us a way to abandon past metaphysics without falling into nihilism Luce Irigaray has argued in her philosophical work that living and coexisting are deficient unless we recognize sexuate difference as a crucial dimension of our existence Michael Marder believes the same is true for vegetal difference Irigaray and Marder consider how plants contribute to human development by sustaining our breathing nourishing our

senses and keeping our bodies and minds alive They note the importance of returning to ancient Greek tradition and engaging with Eastern teachings to revive a culture closer to nature As a result we can reestablish roots when we are displaced and recover the vital energy we need to improve our sensibility and relation to others This generative discussion points toward a more universal way of becoming human that is embedded in the vegetal world *American Commercial Law Series* Alfred William Bays,1920 **Women and the Divine** G. Passing Through the Gateless Barrier Guo Gu, 2016-05-31 Gateways to awakening surround us at every moment of our lives The whole purpose of k'an gong'an in Chinese practice is to keep us from missing these myriad opportunities by leading us to certain gates that have traditionally been effective for people to access that marvelous awakening The forty eight k'ans of the Gateless Barrier Chinese Wumenguan Japanese Mumonkan have been waking people up for well over eight hundred years Chan teacher Guo Gu provides here a fresh translation of the classic text along with the first English commentary by a teacher of the Chinese tradition from which it originated He shows that the k'ans in this text are not mere stories from a distant past but are rather pointers to the places in our lives where we get stuck and that each sticking point when examined can become a gateless barrier through which we can enter into profound wisdom
