Randy Cooney's how to Run Successful Days of Retreat Randy Cooney,1986 One-Day Retreats for Junior High Youth Geri Braden-Whartenby,Joan Finn Connelly,1997 The themes of the retreats offered in One Day Retreats for Junior High Youth are Christian community freshman survival peacemaking peer pressure self esteem and sexuality **The Winning Touch: My Autobiography** Stevie Chalmers,Graham McColl,2012-09-13 One of Celtic s greatest ever strikers Stevie Chalmers epitomised the exciting attacking football with which Celtic took Europe by storm during the 1960s It was Stevie who scored the golden goal in the 1967 European Cup final that clinched the great trophy for Celtic and that saw him and his team mates immortalised as the Lisbon Lions Stevie was the Glasgow club s leading scorer in that amazing 1966 67 season when they became the first British club to reign as champions of Europe and in which they scooped up every trophy at home He was also the club s most prolific striker during the 1960s becoming leading goalscorer for Celtic four times during that decade It was appropriate then that it should be Stevie Chalmers who should nip in ahead of everyone five minutes from time in Lisbon to finish off with finesse the challenge of Internazionale of Milan the richest and most successful club in the world It was the most magical moment in Celtic s history and Stevie describes here in fascinating detail just how he came to be in the right place at the right time to write himself into history Here for the first time Stevie relates key inside details of Celtic s path to glory his own enormous personal battle to overcome a near fatal illness to become a footballer and his sometimes uneasy relationship with Jock Stein the Celtic manager It all underlines the momentousness of his being there to accomplish that match winning feat on Celtic s greatest ever day **What Your Horse Wants You to Know** Gincy Self Bucklin,2008-04-21 Listen to and communicate with your horse successfully This is a book for everyone who has ever looked at the constantly increasing list of methods and systems marketed as horsemanship and wondered which of the many possible approaches would be most suitable for a particular behavior problem Gincy Bucklin has distilled her many years of experience with horses and riders into a very useful step by step hands on book Bucklin s writing is smooth and easy to read and no matter where you open this book you ll find that her deep respect and affection for both equines and humans shines through Dr Jessica Jahiel author of Riding for the Rest of Us Gincy Bucklin uses her decades long experience with horses to answer that most frequently asked question Why did my horse do that And she comes up with creative solutions that weave together traditional horse handling with the best of modern horse training including my own personal favorite clicker training Alexandra Kurland author of Clicker Training for Your Horse and The Click That Teaches video lesson series It takes time for a horse to learn everything we want him to know If we don t make our intentions clear to him in ways that he can understand or if we don t listen to what he wants problems may result Featuring easy to follow step by step advice What Your Horse Wants You to Know reveals how to communicate effectively with your horse to create an atmosphere of mutual cooperation What Your Horse Wants You to Know focuses on improving your horse s behavior on the ground so you can
