Read It To Me Now Learning At Home And At School:

Read It To Me Now! Minns, Hilary, 1997-05-01 Minns charts the emergent literacy learning of 5 four year old children from different cultural backgrounds in their crucial move from home to school and shows how children's early understanding of reading is learnt within their family *Raising Boys' Achievement In Primary Schools* Warrington, Molly, Younger, Mike, 2006-06-01 Within the context of empirical research undertaken by the authors during the course of a 4 year research and intervention project on Raising Boys Achievement the book will focus on approaches that are successful in raising achievement for boys and the reasons for that success It will explore the whole aspect of boys achievement and look at how primary schools are addressing the issue and the processes involved in schools working collaboratively and voluntarily to share good practice Case study material will be used to illustrate the different contexts in which the strategies have been studied and of great importance is the incorporation of boys and girls own perspectives on their educational experiences

The Literate Classroom Prue Goodwin, 2017-08-01 Now in its fourth edition *The Literate Classroom* combines a range of refreshing and challenging viewpoints from experienced classroom practitioners in order to offer practical and effective approaches to teaching reading and writing to primary students Over the last few years how teachers talk with children about their learning has been missing from much of the documentation going into school but with essential information and advice this book highlights the importance of speaking and listening in literacy learning and recognises the powerful links between reading writing and dialogic talk This fully updated edition includes shared and guided reading and writing comprehension through response to children's literature guidance on literacy teaching with ELL pupils new chapters on digital literacy drama for literacy talk for spelling and poetry *The Literate Classroom* describes how the theory behind key areas of literacy teaching can be transformed into realistic learning experiences within the classroom An accessible and informative collection this book is a must have for any teachers of literacy in the primary sector *Teaching English, Language and Literacy* Dominic Wyse, Russell Jones, Helen Bradford, 2008 This is a text for students on initial teacher training courses which covers the theory and practice of teaching English language and literacy The book is closely related to the new National Literacy Strategy *Becoming a Teacher of Reading* Margaret Perkins, 2015-03-10 Learning to read is one of the most important life skills teachers can help a child develop Teaching reading is a vital part of a career in the classroom and engaging with the range of different learning styles children have is a real challenge Trainee teachers need to learn how to address this variety of learning needs and also meet the wider demands of the curriculum Margaret Perkins helps students meet these challenges to become a confident reflective teacher of reading by providing An in depth explanation of phonics teaching alongside other teaching approaches empowering trainees to choose the right approach for each individual child Key research findings so students can apply the latest thinking to their teaching practice School based activities and independent learning tasks to help apply theory to practice and develop teaching skills through self reflection Classroom
