**Models of Professional Development** Bruce Joyce, Emily Calhoun, 2010. This comprehensive resource examines five major models of professional development and how they can be implemented and tailored to meet the multifaceted needs of any school or district.

The Summer Slide Karl Alexander, Sarah Pitcock, Matthew C. Boulay, 2016. This book is an authoritative examination of summer learning loss featuring original contributions by scholars and practitioners at the forefront of the movement to understand and stem the summer slide. The contributors provide an up-to-date account of what research has to say about summer learning loss, the conditions in low-income children's homes and communities that impede learning over the summer months, and best practices in summer programming with lessons on how to strengthen program evaluations. The authors also show how information on program costs can be combined with student outcome data to inform future planning and establish program cost effectiveness. This book will help policymakers, school administrators, and teachers in their efforts to close academic achievement gaps and improve outcomes for all students.

**Book Features:** Empirical research on summer learning loss and efforts to counteract it. Original contributions by leading authorities. Practical guidance on best practices for implementing and evaluating strong summer programs. Recommendations for using program evaluations more effectively to inform policy.

**Contributors:** Emily Ackman, Allison Atteberry, Catherine Augustine, Janice Aurini, Amy Bohnert, Geoffrey D. Borman, Claudia Buchmann, Judy B. Cheatham, Barbara Condcliffe, Dennis J. **BLUEFOOT** VICTOR JIDE ANIMASAHUN, 2014. **SUCCESS IS MORE THAN WHAT YOU THINK.** There is growing concern of mediocrity in almost every place, and the need for excellence has to be stirred up once again in everyone. This is because mediocrity, if unchecked, would certainly degenerate into idiocy, and high-level productivity would soon become old-fashioned. This book was written beginning with the end in mind. The term **BLUEFOOT** was coined to synchronise the process and the product of career success, moving from the process of resolving to live by the blueprint for a successful career to the product of achieving the desired booming career. Every blueprint discussed is aimed at structuring the reader to leave ineradicable footprints in the sands of their career. We must

begin to consider passing on the torch of excellence and optimum performance to posterity     *Nikki Haley's Lessons from the New South* Wanda Little Fenimore,2023-05-30 In Nikki Haley s Lessons from the New South Wanda Little Fenimore traces the resurrection of the phrase New South with South Carolina s former governor Nikki Haley Through analyzing speeches Fenimore demonstrates how politicians use historical terms in new ways that obscure their roots but remain oppressive in the twenty first century This book reveals how Nikki Haley manufactured her New South as progressive and forward thinking yet the term functions as a form of inferential racism ultimately reproducing traditional conservatism rooted in white supremacy Scholars of rhetoric communication political science and women s studies will find this book of particular interest     **How to End the Reading War and Serve the Literacy Needs of All Students** P. L. Thomas,2022-08-01 The

twenty first century Reading War is in fact nothing new but some of the details are unique to our current culture driven by social media This volume seeks to examine the current Reading War in the context of the historical recurrence of public and political debates around student reading abilities and achievement Grounded in a media fascination with the science of reading and fueled by a rise in advocates for students with dyslexia the current Reading War has resulted in some deeply troubling reading policy grade retention and intensive phonics programs This primer for parents policy makers and people who care confronts some of the most compelling but misunderstood aspects of teaching reading in the U S while also offering a way toward ending the Reading War in order to serve all students regardless of their needs The revised expanded 2nd edition adds developments around the science of reading including the expanding impact on state policy and legislation as well as robust additions to the research base around teaching students to read     *AARP The Pledge* Michael
