Alison Matthews, Laurence Matthews, 2013-02-26 *The Second 100 Chinese Characters* adopts a structural approach that helps students to learn recognize and write the second 100 most common Chinese characters. Intended for beginning Chinese students, the characters listed have been carefully selected and sequenced for rapid and effective learning. Each Chinese character is shown separately on a single page along with its English definitions, pinyin, romanization, alternate form if any, a stroke order guide, and ample space for writing practice. Printed in gray lines, the stroke order guides introduce the student to the standard stroke sequence used in writing the characters by tracing them. After learning the correct stroke order, the student can then practice writing the characters on their own, thus reinforcing the recognition and memorization. Large boxes with grid lines for correct proportions are provided. Related compounds and phrases containing each character are also included to assist in vocabulary building. Three indexes, alphabetically arranged by the English meanings, by pinyin romanization, and by radicals, are provided at the back of the book for quick and easy reference. This Chinese character book features the second 100 most frequently used characters, foundation characters for HSK Level 1 test, standard pinyin romanizations, step-by-step stroke order guides, and ample space for writing practice. Special practice boxes with grid lines, lots of extra practice sheets, over 500 words and phrases containing the basic characters, concise English definitions.

First 100 Chinese Characters: Traditional Character Edition Laurence Matthews, Alison Matthews, 2013-05-21 This book is a quick and easy way to learn basic Chinese characters. All beginning Chinese language learners struggle to memorize and learn to write Chinese characters. *The First 100 Chinese Characters* adopts a structural approach which helps students to quickly master the basic characters that are fundamental to this language. This character book is intended for beginning Chinese students and features characters that have been carefully selected for rapid and effective learning. The English meanings, pronunciations in hanyu pinyin, and alternate forms if any for each Chinese character are presented along with a stroke order guide and spaces for writing practice. The stroke order guides are printed with gray guidelines designed to be traced over to teach students the standard sequence of strokes used to write the character. Related compounds and phrases are given to assist in vocabulary building. Three indexes at the back allow the characters to be looked up by their English meanings, hanyu pinyin pronunciations, or radicals. Extra practice sheets are also provided. This Chinese character book contains step-by-step stroke order diagrams showing you how to write each character. Special boxes with grid lines help you practice writing them correctly. Compounds and sample sentences provide easy vocabulary building. Hanyu pinyin romanizations identify and help you pronounce every word. *Reading & Writing Chinese Simplified Character Edition*
