Real Life Case Studies For School Administrators:

School Leadership Benjamin Piltch, Terrence Quinn, 2011-01-16 Parents lawmakers supervisors and unions are among the many constituencies that demand influence if not control of the educational process How does the school administrator balance all the needs of the various groups and still remain true to the ultimate though most powerless constituency the students Through case studies and anecdotes based on real life experiences the authors share the ups and downs of the educational world seeking to find the balance that is most effective in ensuring success School Leadership Case Studies Solving School Problems details decision making and actions taken that dramatically affect the success of students and schools as well as school systems This second edition continues and improves on the first edition with a series of new and timely school leadership case studies that require the reader to reflect on the variety of issues that cross the principal s desk every day The reader will find the case studies and anecdotes highly absorbing They are so real fraught with complexity and will require the reader to use a sophisticated decision making process All New Real-life Case Studies for School

Administrators William Hayes, 2007 Case studies are a wonderful way to engage future educators in real life problem solving Unlike most textbooks which give the students information and provide answers for future examinations case studies are open ended and require active thinking and learning forcing future educators to think and act like an actual school administrator All New Real Life Case Studies for School Administrators details topics that are paramount in today s schools and provides educators advice in dealing with the issues The case studies in this book include Pressure caused by the testing requirements of No Child Left Behind Difficulties in meeting federal requirements for handicapped children under the pressure of providing the least restrictive environment The challenge of providing and maintaining effective security plans for school buildings Making sense out of contradictory educational research studies Establishing priorities when considering the importance of electives and extra curricular activities Poor teacher morale as a result of testing pressures **Real-Life**

Case Studies for School Administrators William Hayes, 2000-04-26 Budget cuts sexual harassment ethnic issues and a multitude of moral and legal dilemmas confront school administrators at every level Proper training is essential in order to deal soundly with each problem that arises Hayes provides a variety of real life case studies that will contribute important supplemental information on specific aspects of an administrator s work There are no simple answers to the questions raised by these cases but their presentation will help administrators and future administrators better understand the ambiguities and difficulties in each of these cases Case Studies on Educational Administration Theodore J. Kowalski, 1991 **K-12**

Case Studies for School Administrators Marcia Norton, Paula E. Lester, 2017-09-29 Case studies enable aspiring administrators to refine their reaction skills as well as their critical thinking skills by responding to a multitude of problems in a short time Originally published in 1998 the case studies in this book provide a broad based overview of the kinds of real problems that schools were facing at the time The problems administrators face on a daily basis vary in scope and complexity
