THE REAL WORLD OF SHERLOCK HOLMES

THE TRUE CRIMES INVESTIGATED BY
ARTHUR CONAN DOYLE

PETER COSTELLO

Real World Of Sherlock Holmes The True Crime Casebooks Of Arthur Conan Doyle

Gary Coville, Patrick Lucanio

Real World Of Sherlock Holmes The True Crime Casebooks Of Arthur Conan Doyle:

The Real World of Sherlock Holmes Peter Costello,1993-07-19 *The Real World of Sherlock* B.J. Rahn,2014-11-15 A fascinating glimpse into the real life Victorian inspirations behind the Sherlock Holmes stories Discover the men who inspired the timeless character **True Crime Narratives** Ben Harrison,1997 Takes the reader on an exploration of this genre from the mid nineteenth century through 1993 **The Real World of Sherlock Holmes** Peter Costello,1991 Sherlock Holmes detective genius and uncanny powers of deduction actually existed His ability to draw startling conclusions from the barest of evidence and to solve cases which baffled the police was shared by his creator Sir Arthur Conan Doyle pioneer author doctor and master criminologist This book draws on entirely new research the author tells the story of the crimes that inspired Holmes exploits and the cases in which Conan Doyle became involved himself often when the police had failed and he had received a request for Sherlock Holmes help Other cases and insights into how closely many of the Sherlock Holmes stories were influenced by real cases are revealed by the author who also wrote **Leopold Bloom** **Jack the Ripper** Gary Coville,Patrick Lucanio,2015-06-14 The identity of Jack the Ripper has consumed public curiosity since he first tormented the East End of London in 1888 Numerous theories have been offered as to his identity but he remains in the shadows where it seems only imaginative literature has been able to elucidate his meaning to the modern world This work surveys the literary film television and radio treatments of Jack the Ripper and his crimes The works of fiction are thoroughly analyzed as are the major nonfiction works that have offered various theories about the Ripper s identity Works whose narratives are obviously inspired by Jack the Ripper and his crimes are also discussed *On the Trail of Sherlock Holmes* Stephen Browning,2022-03-24 Take yourself on a tour of sites from Sherlock s adventures in London and the UK with this comprehensive guide You may have been introduced to the magic of the greatest of English detectives by reading the books by Sir Arthur Conan Doyle or perhaps watching some of the hundreds of films or TV shows that feature the extraordinary adventures of Sherlock Holmes and Dr John H Watson now this unique book offers a detailed itinerary for actually walking Sherlock Holmes Beginning of course at Baker Street a series of walks takes in the well known as well as some of the more obscure locations of London as traveled by Holmes and Watson and a gallery of unforgettable characters in the stories Details of each location and the story in which it features are given along with other items of interest associated literary and historical information social history and events in Conan Doyle s life A chapter then explores Holmes adventures in the rest of the UK Fifty five black and white original photographs accompany the text This book is designed to appeal to anyone who wishes to gain a deeper understanding of the stories by traveling even if just in imagination from an armchair exactly the same London streets as Sherlock Holmes and perhaps also by exploring some iconic Holmesian locations farther afield Come Watson come Holmes says in *The Adventure of the Abbey Grange* The game is afoot Not a word Into your clothes and come Praise for *On the Trail of Sherlock Holmes* Though it s perfect for Holmes fans this is an enjoyable guide even for those with

only a passing interest in the character Foreword Reviews Holmes fans of course will be eager to try these walks which are presented with maps and instructions The merely Holmes curious will also find much to love in them as each walk wanders through the heart of London at its most familiar literary era a post Dickens world of street urchins timeless pubs and Victorian curiosities The New York Times What a unique book A list of walking routes designed to educate and entertain the walker on aspects of Arthur Conan Doyle s Sherlock Holmes But the education doesn t stop there Included in this brilliant Holmes resource are a mini biography of Conan Doyle detailed history of the places on the routes details of books movies and TV shows on Holmes and photos of the establishment on the routes At the back is a comprehensive list of every actor who ever portrayed Holmes and Watson Browning has certainly done his research I cannot imagine any Sherlock Holmes fan ever wanting more Recommended For the Love of Books

Conan Doyle for the Defense Margalit Fox, 2018-06-26 A wonderfully vivid portrait of the man behind Sherlock Holmes Like all the best historical true crime books it s about so much more than crime Tana French author of *In the Woods* A sensational Edwardian murder A scandalous wrongful conviction Sir Arthur Conan Doyle to the rescue a true story After a wealthy woman was brutally murdered in her Glasgow home in 1908 the police found a convenient suspect in Oscar Slater an immigrant Jewish cardsharp Though he was known to be innocent Slater was tried convicted and consigned to life at hard labor Outraged by this injustice Arthur Conan Doyle already world renowned as the creator of Sherlock Holmes used the methods of his most famous character to reinvestigate the case ultimately winning Slater s freedom With an eye for the telling detail a forensic sense of evidence and a relish for research The Wall Street Journal Margalit Fox immerses readers in the science of Edwardian crime detection and illuminates a watershed moment in its history when reflexive prejudice began to be replaced by reason and the scientific method Praise for Conan Doyle for the Defense Artful and compelling Fox s narrative momentum never flags Conan Doyle for the Defense will captivate almost any reader while being pure catnip for the devotee of true crime writing The Washington Post Developed with brio Fox is excellent in linking the 19th century creation of policing and detection with the development of both detective fiction and the science of forensics ballistics fingerprints toxicology and serology as well as the quasi science of criminal anthropology The New York Times Book Review Fox has an eye for the telling detail a forensic sense of evidence and a relish for research The Wall Street Journal Gripping The book works on two levels much like a good Holmes case First it is a fluid story of a crime Second and more pertinently it is a deeper story of how prejudice against a class of people the covering up of sloppy police work and a poisonous political atmosphere can doom an innocent We should all heed Holmes s salutary lesson rationally follow the facts to find the truth Time

The Adventures of Arthur Conan Doyle Christopher Sandford, 2017-07-03 Meticulously researched Stewart Lamont Sir Arthur Conan Doyle Centre Sandford s accomplished well crafted work brings Conan Doyle into sharp relief as a man of scrupulous fairness and great integrity Library Journal Adds a new dimension to our understanding of the creator of Sherlock Holmes Hugh Ashton author and reviewer When Arthur Conan Doyle was a

lonely 7 year old schoolboy at pre prep Newington Academy in Edinburgh a French migr named Eugene Chantrelle was engaged there to teach Modern Languages A few years later Chantrelle would be hanged for the particularly grisly murder of his wife beginning Doyle s own association with some of the bloodiest crimes of the Victorian and Edwardian eras This early link between actual crime and the greatest detective story writer of all time is one of many fascinating and sometimes chilling connections Using freshly available evidence and eyewitness testimony Christopher Sandford follows these links and draws out the connections between Doyle s literary output and true crime in a pattern that will enthral and surprise the legions of Sherlock Holmes fans In a sense Doyle wanted to be Sherlock to be a man who could bring order and justice to a terrible world

Forthcoming Books Rose Arny,2002 [The True Crime Files of Sir Arthur Conan Doyle](#) Arthur Conan Doyle,2001 Chronicles the events surrounding two criminal cases involving innocent men which Sir Arthur Conan Doyle took a personal interest induring the early twentieth century
