Reality Of The Second Coming Of Christ:

The End Wanda Watkins, 2013-03-01 The End Experiencing the Second Coming of Christ is a compelling inspiring account of the second coming of Jesus Christ The author Wanda Watkins uses her imagination supported by the Holy Bible to heighten the reader's awareness regarding the divine promise of this celestial occasion This book begins with the writer's resurrection from the dead an imagined occurrence that brings the reader fully into the reality of her experience For this reason Wanda considers it a fictional account entrenched in and underscored by biblical references that support its credibility Throughout her experience Wanda informs the reader of her emotions upon beholding her awaited Savior and shares all of what she feels what she says what she hears what she sees and even what she thinks As Wanda informs she also ruminates about the challenges obstacles and trials that peculiarly served as such beautiful catalysts for this glorious occasion Concurrently she imparts spiritual insight and wisdom into the biblical truths that accompany the certainty of the appointed day that Christ will return As she is raised higher and higher toward Heaven Wanda the created educator continues to teach persuade encourage and inspire To further elaborate The End is a captivating literary work that truly allows scriptural references about God's second coming to transfer the reader into the event's truths Since the second coming of Christ is a reality that has been long awaited many no longer think about it some no longer believe it and others are indifferent Not only that but much of what some do consider about Christ's second coming is clouded by false teachings regarding the subject Many have accepted certain rumors myths and or fables about what will happen or the date that it will take place This informative book or account includes facts that endorse its credibility and compels the reader to either respond by faith or react according to self will Its thorough candor erases doubt and replaces it with the insight that transforms the occasional interest in Christ's return from a possibility to a certainty The experience of reading it is a magnet that draws one into both the beauty of Christ returning for His Bride as well as the dismay of the unprepared Regardless of the reader's response to The End the book is unforgettable

The Rapture Bill Vincent, 2023-04-03 Unfortunately most of our modern day teachings on this most important doctrine are misleading to say the very least Bill Vincent has studied for years and now is releasing his findings in this book The Rapture A careful scrutiny of the Scriptures will reveal the truth about the second coming of Christ which we generally refer to as the rapture In The Rapture he has set out to correct the most obvious errors of the pre tribulation doctrine and to establish the basic foundation for understanding the truth of the matter Great care is taken to follow the guidelines of Scripture and the Biblical basis of doctrinal interpretation precept upon precept and line upon line This is the only method of interpretation used in the pages of The Rapture Since God Himself revealed His method of understanding doctrine it is believed by the author to be the best method to use Therefore with Bible in hand follow along with the Scriptures quoted and see if you don't find truth within its pages In The Rapture Bill answers questions that many do not know the answers to Be open and allow this page turner to open up the biggest controversial

subject of the rapture of Jesus Christ If you are a lover of truth you will enjoy this very basic presentation of Biblical facts concerning the doctrine of the gathering together of Christ s saints unto Himself *The Nature of Consciousness, the Structure of Reality* Jerry Davidson Wheatley,2001 This book describes how understanding the structure of reality leads to the Theory of Everything Equation The equation unifies the forces of nature and enables the merging of relativity with quantum theory The book explains the big bang theory and everything else **The Second Coming of Christ** Charles William Bridwell,1915 **New Realities of the Twenty-first Century, Part 1** Prophet Wildman,2017-02-07 New Realities of the Twenty first Century Part 1 by Prophet Wildman The psychic parapsychic experience in the supernatural is one that is not readily understood or accepted by the masses After enjoying the gift of psychic future predictive awareness for more than fifty years Prophet Wildman had a deep understanding of the psychic and parapsychic experience However it wasn t until 2008 when he began receiving Holy subject Tribulation awareness as a precognitive psychic medium that he really began to delve deeper into this relatively unknown subject and explore psychic and parapsychic experiences as they related to the supernatural and Christianity Prophet Wildman wows his readers with first hand experiences both from the perspective of being Christian and of being a psychic medium while also providing a comprehensive dissection and decoding of the Tribulation event as it relates to the prophecy Wildman s deeply personal experiences along with factual statements and others first hand experiences provide the reader with a comprehensive read that will strengthen one s faith in Christ and Christianity while opening up rarely explored doors to the supernatural psychic and parapsychic worlds Explore the unknown with Prophet Wildman as he weaves his unwavering Christian beliefs with everything from extraterrestrials and ultraterrestrials to vampires U F Os and government cover ups An open mind and a strong religious conviction are all that s needed to begin searching and discovering some of the biggest mysteries of our time The Little While of the Saviour's Absence and the Prospect of His Speedy Return John Dunmore Lang,1872 Ad 2036 Is the End Christian T. Jacobsen,2008-03-31 Did you know that the exact year of Jesus crucifixion was predicted over five hundred years before His birth Did you know that a similar prophecy predicts the exact year of Jesus return to earth In fact the timing of the Second Coming of Christ is foreshadowed in no less than eleven places in the scriptures These timelines all point to the end of human history within this generation Although the Bible teaches that no one knows the day or hour when these things will happen Mark 13 32 it says nothing about not knowing the year Faithful Christians most certainly won t be surprised when the day of the Lord comes 1 Thessalonians 5 4 rather they will see the day approaching Hebrews 10 25 This book reveals that the Glorious Day will occur within three and a half years of AD 2036 CHRIST HAS DIED CHRIST IS RISEN CHRIST WILL COME AGAIN **A Second Look at the Second Coming** T. L. Frazier,2005-05-25 Read a balanced well researched treatment of the end times interpreted from the Christian East by faithful Orthodox saints martyrs and Spirit filled Fathers of the Faith Historic Christian teaching on the rapture the millennium the state of Israel and the role of the Church in the last days

The Gospel of Inclusion Carlton Pearson, 2009-03-10 Draws on biblical scripture to argue that the controlling dogmas of religion have caused many of the world's ills and that we should have the same attitude in a controversial study that calls for an end to conflict and division along religious lines
