Reasonable Creatures Katha Pollitt, 1995 While many books focus on the broader socially ethical topics of widening participation and promoting equal opportunities this text focuses specifically on the lecturer's professional responsibilities It covers everyday real life moral dilemmas which confront university teachers when dealing with students and colleagues whether arising from facilitated discussion in the classroom deciding whether it is fair to extend a deadline investigating suspected plagiarism or dealing with complaints *New York Magazine*, 1994-10-10 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

Women's Voices and Feminism in Polish

Cultural Memory Urszula Chowaniec, Ursula Phillips, 2013-02-22 Every time a so called woman's voice appears in the media in connection with any sphere of creative activity it finds itself confronted by the almost formulaic expression feminism today instantaneously suggesting that feminism is in fact a matter of the past and that if we want to return to this phenomenon then we need to explain ourselves Women's Voices and Feminism in Polish Cultural Memory seeks to elaborate the problem of generalization expressed by such formulas as feminism today while analysing how feminist sympathies have shaped Polish literature film and language This volume does not want to impose any hegemonic understanding of feminism or imply any a priori ideological assumptions about women's nature or role in society It seeks to identify what is particular to the Polish feminist experience It starts by asking such questions as what is feminism today or what can we learn from the history of Polish women's writing In answering these questions the women scholars who have contributed to the volume examine Polish cultural history and memory in the context of the transformations transitions and catastrophes of the last two centuries whilst firmly rooting Polish experience within the common European heritage [I Can't Believe She Did That!](#) Nan

Mooney, 2025-06-25 [I CAN'T BELIEVE SHE DID THAT](#) offers a new and compelling perspective on conflict and competition among women in the workplace Nan Mooney explores how and why some women hurt each other on the job and what we can do to begin cleaning up the mess Based on real stories from real women [I CAN'T BELIEVE SHE DID THAT](#) provides a provocative social and cultural exploration of the often troubled and painful dynamics that unfold among female coworkers The massive influx of women into the workplace in the past thirty years means a whole new category of problems has arisen Suddenly women are working over under and alongside other women Their professional relationships are subject to the pressures and conflicts of organizational culture not to mention society at large Women on the job have grown more comfortable with ambition competition management and success but that hasn't negated the value they place on communication and relationships on being liked and being nice Striking a balance between these two selves is a delicate

undertaking and many women are uncertain how to interact in a workplace where such lines are regularly being blurred Working together women have fostered a breathtaking degree of positive change But there is another side to the story If women are to continue moving forward the time has come to examine honestly and unequivocally our very human impulse to compete with hurt and even destroy one another to get what we want In I CAN T BELIEVE SHE DID THAT Nan Mooney provides vivid insights on the emotional toll competition can take on women in business and charts a path towards more productive and fulfilling relationships for professional women everywhere **Bitch** Elizabeth Wurtzel,2012-10-17 From the author of the bestselling Prozac Nation comes one of the most entertaining feminist manifestos ever written In five brilliant extended essays she links the lives of women as demanding and disparate as Amy Fisher Hillary Clinton Margaux Hemingway and Nicole Brown Simpson Wurtzel gives voice to those women whose lives have been misunderstood who have been dismissed for their beauty their madness their youth Bitch is a brilliant tract on the history of manipulative female behavior By looking at women who derive their power from their sexuality Wurtzel offers a trenchant cultural critique of contemporary gender relations Beginning with Delilah the first woman to supposedly bring a great man down latter day Delilahs include Yoko Ono Pam Smart Bess Myerson Wurtzel finds many biblical counterparts to the men and women in today s headlines She finds in the story of Amy Fisher the tragic plight of all Lolitas our thirst for their brief and intense flame She connects Hemingway s tragic suicide to those of Sylvia Plath Edie Sedgwick and Marilyn Monroe women whose beauty was an end ultimately in itself Wurtzel writing about the wife mistress dichotomy explains how some women are anointed as wife material while others are relegated to the role of mistress She takes to task the double standard imposed on women the cultural insistence on goodness and society s complete obsession with badness what s a girl to do Let s face it if women were any real threat to male power Gennifer Flowers would be sitting behind the desk of the Oval Office writes Wurtzel and Bill Clinton would be a lounge singer in the Excelsior Hotel in Little Rock Bitch tells a tale both celebratory and cautionary as Wurtzel catalogs some of the most infamous women in history defending their outsize desires describing their exquisite loneliness championing their take no prisoners approach to life and to love Whether writing about Courtney Love Sally Hemings Bathsheba Kimba Wood Sharon Stone Princess Di or waxing eloquent on the hideous success of The Rules the evil that is The Bridges of Madison County the twisted logic of You ll Never Make Love in This Town Again Wurtzel is back with a bitchography that cuts to the core In prose both blistering and brilliant Bitch is a treatise on the nature of desperate sexual manipulation and a triumph of pussy power **Who's Who in Contemporary Women's Writing** Jane Eldridge Miller,2019-07-23 Unique in its breadth of coverage Who s Who in Contemporary Women s Writing is a comprehensive authoritative and enjoyable guide to women s fiction prose poetry and drama from around the world in the second half of the twentieth century Over the course of 1000 entries by over 150 international contributors a picture emerges of the incredible range of women s writing in our time from Toni Morrison to Fleur Adcock all are here This book includes the established and
