Reasonable Enthusiast Henry D. Rack,1989 **Reasonable Enthusiast** Henry D. Rack,1992 Reasonable Enthusiast Henry D. Rack,1989-01-01 The Encyclopedia of Christianity Erwin Fahlbusch,Geoffrey William Bromiley,1999

K. Olson,2024-01-16 John Wesley s Doctrine of Justification provides updated scholarship on this pivotal doctrine of Methodism providing a deeper understanding of a major tenet of the Christian faith Mark Olson offers a comprehensive treatment of the development and exposition of Wesley s doctrine of justification and how it changed throughout Wesley s life including his early views rooted in Anglican heritage the significant developments in Wesley s career and contributions from notable figures like John Fletcher to his doctrine of general justification The doctrine of justification was pivotal to John Wesley s understanding of a person s relationship with God In Wesley s view it defined one of the two general parts of salvation It touched every aspect of the spiritual journey from birth general justification to conversion present justification to final judgment and glory final justification To properly understand Wesley s via salutis and theology one needs to grasp the particulars of his doctrine of justification The best way to do this is to tell the story of how he came to understand the doctrine over the course of his life It is a complex story with many twists and turns that deserves to be fully told *Image, Identity and John Wesley* Peter S. Forsaith,2017-08-18 The face of John Wesley 1703 91 the Methodist leader became one of the most familiar images in the English speaking and transatlantic worlds through the late eighteenth and nineteenth centuries After the dozen or so painted portraits made during his lifetime came numbers of posthumous portraits and moralising scene paintings and hundreds of variations of prints It was calculated that six million copies were produced of one print alone an 1827 portrait by John Jackson R A as frontispiece for a hymn book Illustrated by nearly one hundred images many in colour with a comprehensive appendix listing known Wesley images this book offers a much needed comprehensive and critical survey of one of the most influential religious and public figures of eighteenth century Britain Besides chapters on portraits from the life and after scene paintings and prints it explores aspects of Wesley s and Methodism s attitudes to art and the personality cult which gathered around Wesley as Methodism expanded globally It

will be of interest to art historians as a treatment of an individual sitter and subject as well as to scholars engaged in Wesley and Methodist studies It is also significant for the field of material studies given the spread and use of the image on artefacts as well as on paper *The Wesleys in Cornwall, 1743-1789* Samuel J. Rogal, 2015-10-12 In nearly a half century of missionary work throughout England Wales Scotland and Ireland brothers John and Charles Wesley found the southwestern county of Cornwall to be among their most serious theological and social challenges Eighteenth century Cornwall lacked population centers and small towns and villages were isolated by inadequate roads The adult population consisted mainly of miners fisherman and smugglers men more interested in the bulk of their pocketbooks than in the status of their souls And the clergy of the Church of England overwhelmingly opposed the Wesleys and their itinerant preachers encouraging Anglicans to disrupt the Wesleys outdoor services and to attack and burn Methodist preaching houses Although the Wesleys made some evangelical progress in Cornwall the question remained upon John Wesley s death in 1791 did the mission to Cornwall succeed or fail This book considers the mission with a close reading of the Wesleys writings and covers the overall history of 18th century British Methodism and its contribution to the religious and social history of the British Empire

Densil Morgan, 2021-09-15 A comprehensive scholarly synthesis of the history of Welsh theology between the eighteenth and the twentieth century An even handed and meticulous assessment of

the impact of the Evangelical Revival on both the Anglican Church and Protestant Nonconformity up to and beyond the Victorian era A fresh interpretation based on a wide range of texts both well known and obscure in the light of the latest scholarly consensus
