Blanscet,2018-06-08 Everyone wants to be successful The problem though is that most people misunderstand what constitutes true success The world defines success in terms of our accomplishments the fame and fortune we achieve and the recognitions we receive all of which are fleeting and temporary successes at best True success however is based upon our character the relationship we have with God and the glory God receives from our lives So how do we achieve this level of success Lessons from Solomon answers this question by looking at the life of King Solomon a man who not only achieved success by the world s standards but also had and lost true success that comes from knowing God Author Glen A Blanscet has penned engaging narrative retellings of King Solomon s story from the Bible and from King Solomon s story we learn several success lessons that we can apply in our own search for true success in life Based on the life of Solomon Blanscet has distilled from Solomon s story the life lessons that lead us to genuine success from the wisest man who ever lived I highly recommend this book Dr David L Allen Southwestern Baptist Theological Seminary In this book Glen Blanscet has masterfully extracted from scripture Solomon s successes and failures providing the reader with vivid lessons on attaining true success Steve Mullen PhD Dallas Baptist University *Receive Your Healing and Reclaim Your Health* Cal Pierce,2012-02-07

Satan and God's Armor Robert B. Callahan, 2013-05-29 The Apostle Paul leaves no stone unturned as he encourages enlightens and informs the Ephesian believers and us regarding their duties and responsibilities as Christ's followers. Yes, there are duties and responsibilities for professing Christians just as there are duties and responsibilities in every phase of life whether it be as children, parents, employee, employer, student, teacher, or whatever field of endeavor one may pursue. The apostle is addressing those who believe in the Lord Jesus Christ and seek to follow Him, which as Paul knows is not easy. Therefore, in this portion of Scripture, he stresses certain truths that will strengthen each and every Christian as they journey through life. The elements may sound simple to learn but they are difficult to practice day in and day out. What are they? Obedience, discipline, priorities, knowing your heavenly Father, not just knowing about Him, being strong disciples in the faith, and separating ourselves. Developing these traits requires a commitment to adhere to Christ's teachings and commands.

How Prayer Can Walk You Through the Storms in Your Life Dr. Essie Farley, 2021-06-04 Prayer is about having a personal relationship with God, meeting the King on a daily basis. God wants to be a part of your life. He knew about your pain before it occurred, and He knows when it will end. Take God at His word and hold on to His promises. Your life will never be the same. God has provided everything we need to walk through our journey with success. This journey through life is not about having sunshine every day; if we do not experience the difficult things in life, we will not learn how to appreciate the good and bad. When we are in a storm, we must learn how to ask God, "Why am I in this storm, and what is it that You want me to learn from it?" A spiritual storm is a trial, tragedy, or misfortune. The storms have a purpose in our lives, and when you stay on board, God will reveal the purpose at His timing. Storms can either make us or break us, depending on how we respond. Storms are considered a training process for God's children. He uses the storms to shape us into who He wants us to be. Stay tuned to an amazing journey with God.

H O P E is a non-profit organization whose purpose is to help people experience a life transformation through their emotional pain so they can live the purpose-filled, victorious life God intended and designed them to live. We set people free from emotional bondage and empower them to live a transformed life. Our transformation model consists of three levels. Names of H O P E is Level 2 and centers on Names of God that meet the needs encountered while going through painful experiences. Each lesson relates a Name of God to His principles and purpose for pain, His character in the midst of pain, and how He can transform us through our pain and empower us to fulfill our purpose in life.
