

The Reception of Kant's Critical Philosophy

Fichte, Schelling, and Hegel

The essays in this volume consider both the development of Kant's system of transcendental idealism in his three *Critiques*, *Metaphysical Foundations of Natural Science*, and *Opus Postumum*, as well as the reception and transformation of his idealism in the work of Fichte, Schelling, and Hegel.

The contributors include many of today's preeminent philosophers of German idealism. The volume will be of critical importance to philosophers concerned with this period and to intellectual historians.

List of contributors: Sally Sedgwick, Paul Guyer, Jeffrey Edwards, Henry E. Allison, Allen W. Wood, Karl Ameriks, Günter Zöller, Robert Pippin, Daniel Breazeale, Manfred Baum, Dieter Sturma, Stephen Houlgate, Béatrice Longuenesse, and Kenneth R. Westphal.

Reception Of Kants Critical Philosophy Fichte Schelling And Hegel

Eric Michael Dale

Reception Of Kants Critical Philosophy Fichte Schelling And Hegel:

The Reception of Kant's Critical Philosophy Sally Sedgwick, 2000-05-22 The period from Kant to Hegel is one of the most intense and rigorous in modern philosophy The central problem at the heart of it was the development of a new standard of theoretical reflection and of the principle of rationality itself The essays in this volume consider both the development of Kant's system of transcendental idealism in the three Critiques the Metaphysical Foundations of Natural Science and the Opus Postumum as well as the reception and transformation of that idealism in the work of Fichte Schelling and Hegel

The Reception of Kant's Critical Philosophy Sally Sedgwick, 2007-08-16 The period from Kant to Hegel is one of the most intense and rigorous in modern philosophy The central problem at the heart of it was the development of a new standard of theoretical reflection and of the principle of rationality itself The essays in this volume consider both the development of Kant's system of transcendental idealism in the three Critiques the Metaphysical Foundations of Natural Science and the Opus Postumum as well as the reception and transformation of that idealism in the work of Fichte Schelling and Hegel

Hegel's Critique of Kant Sally Sedgwick, 2012-03-29 Sally Sedgwick presents a fresh account of Hegel's critique of Kant's theoretical philosophy She argues that Hegel offers a compelling critique of and alternative to the conception of cognition that Kant defended in his Critical period The book examines key features of what Kant identifies as the discursive character of our mode of cognition and considers Hegel's reasons for arguing that these features condemn Kant's theoretical philosophy to scepticism as well as dualism Sedgwick goes on to present in a sympathetic light Hegel's claim to derive from certain Kantian doctrines clues to a superior form of idealism a form of idealism that better captures the nature of our cognitive powers and their relation to objects

Hegel's Critique of Kant Sally Sedgwick, 2012-03-29 Sally Sedgwick presents a fresh account of Hegel's critique of Kant's theoretical philosophy She argues that Hegel offers a compelling critique of and alternative to the conception of cognition that Kant defended in his Critical period and explores Hegel's claim to derive from Kantian doctrines clues to a superior form of idealism

German Idealism Espen Hammer, 2007-08-07 This outstanding collection of specially commissioned chapters examines German idealism from several angles and assesses the renewed interest in the subject from a wide range of fields Including discussions of the key representatives of German idealism such as Kant Fichte and Hegel it is structured in clear sections dealing with metaphysics the legacy of Hegel's philosophy Freedom and Hegel recognition and agency autonomy and nature the philosophy of German romanticism Amongst other important topics German Idealism Historical and Philosophical Perspectives addresses the debates surrounding the metaphysical and epistemological legacy of German idealism its importance for understanding recent debates in moral and political thought its appropriation in recent theories of language and the relationship between mind and world and how German idealism affected subsequent movements such as romanticism pragmatism and critical theory Contributors Espen Hammer Stephen Houlgate Sebastian Gardner Paul Redding Andrew Bowie Richard Eldridge Jay

Bernstein Frederick Beiser Paul Franks Robert Pippin Fred Rush Manfred Frank Terry Pinkard Robert Stern

Understanding German Idealism Will Dudley, 2014-12-05 Understanding German Idealism provides an accessible introduction to the philosophical movement that emerged in 1781 with the publication of Kant's monumental Critique of Pure Reason and ended fifty years later with Hegel's death. The thinkers of this period and the themes they developed revolutionized almost every area of philosophy and had an impact that continues to be felt across the humanities and social sciences today. Notoriously complex, the central texts of German Idealism have confounded the most capable and patient interpreters for more than 200 years. Understanding German Idealism aims to convey the significance of this philosophical movement while avoiding its obscurity. Readers are given a clear understanding of the problems that motivated Kant, Fichte, Schelling, and Hegel and the solutions that they proposed. Dudley outlines the main ideas of transcendental idealism and explores how the later German Idealists attempted to carry out the Kantian project more rigorously than Kant himself, striving to develop a fully self-critical and rational philosophy in order to determine the meaning and sustain the possibility of a free and rational modern life. The book examines some of the most important early criticisms of German Idealism and the philosophical alternatives to which they led, including romanticism, Marxism, existentialism, and naturalism. *Fichte's Aesthetic of Striving* Kienhow Goh, 2025-06-20 This book explores Fichte's theory of sensibility, focusing on its theoretical and practical significance. It offers unique insight into Fichte's reinterpretation of Kant's aesthetic theory. Fichte's theory of sensibility can be found in his unpublished manuscript Practical Philosophy 1793/94. The author approaches this text as Fichte's attempt to reorganize Kant's transcendental aesthetic and aesthetic of pure practical reason into a unified whole. The first half contains one of the first chapter-length studies of Fichte's Attempt at a Metaphysics of Gratification 1789 and Fichte's Practical Philosophy. In this section, the author examines the context and development of a philosophy of striving. In Practical Philosophy, Fichte explains the background of Fichte's aesthetics and provides a concise discussion of Kant's sensationalist view of pleasure. The second half explores how the investigations in Practical Philosophy reemerge in the Jena period through the theory of aesthetic experience and artistic creation, theory of moral deliberation, and theory of truth and justification, particularly in philosophy and illustrating the pivotal role Fichte assigns to feelings in human spiritual development. Fichte's Aesthetic of Striving will be of interest to scholars and advanced students working in the history of modern philosophy, the history of aesthetics, German idealism, and 19th-century philosophy. *Hegel, the End of History, and the Future* Eric Michael Dale, 2014-08-14 In Phenomenology of Spirit 1806, Hegel is often held to have announced the end of history, where history is to be understood as the long pursuit of ends towards which humanity had always been striving. In this, the first book in English to thoroughly critique this entrenched view, Eric Michael Dale argues that it is a misinterpretation. Dale offers a reading of his own, showing how it sits within the larger schema of Hegel's thought and makes room for an understanding of the end of history as Hegel intended. Through an elegant analysis of Hegel's philosophy of history, Dale guides the reader

away from the common misinterpretation of the end of history to other valuable elements of Hegel's arguments which are often overlooked and deserve to endure. His book will be of great interest to scholars and advanced students of Hegel, the philosophy of history and the history of political thought.

Self-Consciousness and the Critique of the Subject Simon Lumsden, 2014-08-26

Poststructuralists hold Hegel responsible for giving rise to many of modern philosophy's problematic concepts: the authority of reason, self-consciousness, the knowing subject. Yet according to Simon Lumsden, this animosity is rooted in a fundamental misunderstanding of Hegel's thought, and resolving this tension can not only heal the rift between poststructuralism and German idealism but also point these traditions in exciting new directions. Revisiting the philosopher's key texts, Lumsden calls attention to Hegel's reformulation of liberal and Cartesian conceptions of subjectivity, identifying a critical though unrecognized continuity between poststructuralism and German idealism. Poststructuralism forged its identity in opposition to idealist subjectivity; however, Lumsden argues, this model is not found in Hegel's texts but in an uncritical acceptance of Heidegger's characterization of Hegel and Fichte as metaphysicians of subjectivity. Recasting Hegel as both post-Kantian and post-metaphysical, Lumsden sheds new light on this complex philosopher while revealing the surprising affinities between two supposedly antithetical modes of thought.

Kant's Modal Metaphysics Nicholas Frederick Stang, 2016

Nicholas F. Stang explores Kant's theory of possibility from the pre-critical period of the 1750-60s to the Critical system initiated by the *Critique of Pure Reason* in 1781. He argues that the key to understanding the relationship between these periods lies in Kant's reorientation of an ontological question towards a transcendental approach.

Right here, we have countless book **Reception Of Kants Critical Philosophy Fichte Schelling And Hegel** and collections to check out. We additionally pay for variant types and afterward type of the books to browse. The suitable book, fiction, history, novel, scientific research, as skillfully as various further sorts of books are readily to hand here.

As this Reception Of Kants Critical Philosophy Fichte Schelling And Hegel, it ends up swine one of the favored books Reception Of Kants Critical Philosophy Fichte Schelling And Hegel collections that we have. This is why you remain in the best website to look the unbelievable books to have.
