Visions Through a Glass, Darkly David I. Aboulafia,2016-01-29 Two days eighteen hours fifty eight minutes The time of your life on this earth Richard Goodman is the

caretaker of a unique institution that trains disabled youth in the art of watchmaking But he is no ordinary administrator He possesses extra sensory powers he does not fully understand and cannot control But an innocent outing to Coney Island results in him obtaining a more disturbing ability along with a terrifying prophecy that he will die in less than three days As the clock of his life counts down a still greater threat emerges An uncanny assassin who will destroy everyone he knows and loves Unless he can discover who the killer is And stop him in time **Caught Dead Handed** Carol J. Perry,2014-09-02 She is not a psychic she just plays one on TV Most folks associate the city of Salem Massachusetts with witches but for Lee Barrett it is home This October she is returned to her hometown where her beloved Aunt Ibby still lives to interview for a job as a reporter at WICH TV But the only opening is for a call in psychic to host the late night horror movies It seems the previous host Ariel Constellation never saw her own murder coming Lee reluctantly takes the job but when she starts seeing real events in the obsidian ball she is using as a prop she wonders if she might really have psychic abilities To make things even spookier it is starting to look like Ariel may have been an actual practicing witch especially when O Ryan the cat Lee and Aunt Ibby inherited from her exhibits some strange powers of his own With Halloween fast approaching Lee must focus on unmasking a killer or her career as a psychic may be very short lived **The Wrong View of History** Jack

Paraskovich,2016-02-05 The Wrong View of History is a provocative analysis of life predominately in The Middle Ages and Renaissance periods It dissects different aspects of daily life from childhood education sex shame warfare torture cuisine to other more philosophical views on time space and ever present societal changes It shows the reader how wrong it is to judge these past societies through the prism of our understanding through the values imposed on us by our morals and standards of today's conduct A libertine openness in sexual practices may belong on some sleazy porn site today but was the way of life during the times of Marquis de Sade This book is full of such examples from all facets of life All the while the author is keeping a light humorous style making it an easy and enjoyable read *The Redheaded Outfield, and Other Baseball Stories*

Zane Grey,2020-07-24 Excerpt There was Delaney's red haired trio Red Gilbat left fielder Reddy Clammer right fielder and Reddie Ray center fielder composing the most remarkable outfield ever developed in minor league baseball It was Delaney's pride as it was also his trouble Red Gilbat was nutty and his batting average was .371 Any student of baseball could weigh these two facts against each other and understand something of Delaney's trouble It was not possible to camp on Red Gilbat's trail The man was a jack o lantern a will o the wisp a weird long legged long armed red haired illusive phantom When the gong rang at the ball grounds there were ten chances to one that Red would not be present He had been discovered with small boys peeping through knotholes at the vacant left field he was supposed to inhabit during play **Red-headed Gill**

Rye Owen,1903 **The Lion and the Unicorn** Helena Vor,2013-09 After nine long years in the Holy Land Prince Andrian Gilbert de Langeais returns to Briton as a venerated war hero Unable to release the demons he carries inside himself after his experiences in battle Prince Andrian collapses under the weight of his birthright Following a series of ruinous losses

Prince Andrian finds himself growing paranoid and spiraling into madness as he is torn between his duty as the protector of his kingdom and his desire for absolute power.
