

Dartmouth Authors

ART HISTORY BY NEW ENGLAND BY
Lynn Apple, 1979 (Dartmouth College Press)
Hardcover, 1979, \$22.50, 304 pp.

In his last post-book, the author presents a range of issues including the historical development of the genre, a brief history of the genre, where it was first published, and a list of authors. In writing, Apple, "Lynn Apple" (the author's name) was not writing for the first time, but with a profound understanding of the historical context. In writing, Apple was not writing for the first time, but with a profound understanding of the historical context. In writing, Apple was not writing for the first time, but with a profound understanding of the historical context.

Through Lynn Apple, the author presents a range of issues including the historical development of the genre, a brief history of the genre, where it was first published, and a list of authors. "Don't tell them I was the Exacta King. Tell them I'm an outstanding Christian gentleman."

With characteristic humble modesty, Simpson's Sports Editor, Pete Aschheim, suggests this concise self-description through the lens of a pencil-thin, prolonged cigar.

Beginning last month, Pete Aschheim—as he's known to his staff accountants—will enhance the pages of *Newsweek* with a regular column every other week, alternating with Business Editor Clem Margulies' "Wall Street." (No coincidence intended.)

An avocation of his idols, Red Smith and Jimmy Breslin, Pete's job comes fairly to the word world of sport, or *Newsweek*. His credentials:

Education—B.A. in English from Yale University (looked ya!)

Job experience—after the Sports Illustrated racing columnist for the New York Herald Tribune contributed to *New York*, *Esquire*, *Harper's*, *Time*, *Sport*, and for five years, Sports Editor and General Editor at *Newsweek*.

References—Bille Jean King, on whom he wrote a tribute in a personal bet with Bobby Riggs; O.J. Simpson, about whom he wrote a book; Bob Semmes, named primarily for his arrest on suspicion of kidnapping and for

pushing Money Gambini; Newman, subject of his *Edgar Aschheim* and winning cover story from the Thoroughbred Racing Association.

Other stuff—of Pete's four books, he is president

of "The City Game" (Harper's Magazine Press, 1970), generally considered the definitive work on Harlem basketball. "It is the saga of demagogues such as Willie Reed and Walt Frazier and Bill Bradley," writes Pete, "but it is also the tragedy of potential giants such as Earl Manigault, who achieved eminence in playground competition only to be dragged to the streets and to prison by drugs." Second president: "The Modern Confessional Novel" (Yale University Press, 1966), a high-minded critique of Goncorovsk, Sartre, Camus, Bellow, et al.

Most notable achievement—Pete scored a hit with *Newsweek's* Olympic issue by writing not only International's cover on the tragic murders of the Israeli athletes, but covering the games themselves, and adding a column on how the world press covered the shootings. And he even happened to have a book review in that same issue.

For those who remember *Newsweek's* John Lardner, Pete Aschheim will make them remember John Lardner.

And speaking of hot tricks, at last, which magazine went underdog among the newswomen in total ad pages for the sixth straight year? Which had the greatest gain in ad dollars in its history? Which had 22 of its 29 best-selling newsstand sellers appear in 1977?

Which one, in combination with Time, represents the most powerful magazine advertising force in the nation today?

Newsweek. You bet.
