Reducing Vulnerability and Increasing Opportunity ,2002 The economies in the Middle East and North Africa MENA region are diverse in many ways making it difficult to develop a common social protection strategy Countries differ in size and per capita income There are differences between urban rural populations agricultural non farm employment and the structure of output between oil non oil economies However the countries of the MENA region share key socioeconomic characteristics and their social protection systems also confront similar design and implementation problems This report provides a framework for an integrated approach to social protection It also proposes general recommendations to guide the reform of social protection systems in the MENA region The report is organized into four chapters which cover highlighting social risks and policy challenges evaluating formal and informal social protection systems in the MENA region strategic directions for enhancing these social protection systems and the World Bank s contribution to social protection in the MENA region The aim of this report is to contribute to a better informed and more focused debate on social protection at the national regional and international levels

Reducing Vulnerability and Increasing Opportunity ,2001 *Reducing Vulnerability and Increasing Opportunity* World Bank. Middle East and North Africa Region. Human Development Department. Social Protection Group,2001 Social Protection Sector Strategy ,2001-01-01 This book presents recent World Bank analytical work on the causes of violence and conflict in Columbia and the pilot lending programmes which have been designed to promote peace and help development It is divided into three sections The first sets the framework for the history of violence and the mechanisms of its propagation looks at its costs and also at current policy initiatives to reduce it The second part looks at the social economic causes of conflict and the costs of achieving peace The last part reviews the recent experience of the World Bank in assisting countries that are experiencing or have overcome domestic armed conflict

Unlocking the Employment Potential in the Middle East and North Africa World Bank,2003 Encyclopedia of Social Work ,1965

Poverty and Exclusion in North and South Elizabeth Dowler,Paul Mosley,2005-07-25 Over the past decade there has been a worrying increase in poverty in the industrialised countries of the North while many of the developing countries of the South have experienced some improvement This collection argues that there are a number of likenesses between the predicaments of North and South and that these warrant further investigation and analysis

Challenges Of Economic Development In The Middle East And North Africa Region Julia C Devlin,2010-01-20 This book surveys major economic issues in the development of countries in the Middle East and North Africa MENA region since World War II It presents a framework of analysis highlighting underlying continuities in the region s approach to issues of growth management of oil and natural resources post conflict environments progress in trade liberalization and regional integration the use of industrial policy labor market adjustment and unemployment educational attainment and poverty incidence At the same time this book focuses on emerging differences across countries in the region in the prevailing

approach to addressing such challenges most notably between the economies of the Gulf Cooperation Council and other MENA countries This book also incorporates a discussion of tools and methods used by development practitioners and briefly examines issues of aid effectiveness The approach used is intended to appeal to a wide audience including students of economic development political scientists and development practitioners

Social Dictatorships Ferdinand Eibl, 2020-02-27 Why have social spending levels and social policy trajectories diverged so drastically across labour abundant Middle Eastern and North African regimes And how can we explain the marked persistence of spending levels after divergence Using historical institutionalism and a mix of qualitative and quantitative methods *Social Dictatorships The Political Economy of the Welfare State in the Middle East and North Africa* develops an explanation of social spending in authoritarian regimes It emphasizes the importance of early elite conflict and attempts to form a durable support coalition under the constraints imposed by external threats and scarce resources *Social Dictatorships* utilizes two in depth case studies of the political origins of the Tunisian and Egyptian welfare state to provide an empirical overview of how social policies have developed in the region and to explain the marked differences in social policy trajectories It follows a multi level approach tested comparatively at the cross country level and process traced at micro level by these case studies

Disaster Risk and Vulnerability C. Emdad Haque, David Etkin, 2012-04-11 From the Asian tsunami of 2004 to hurricane Katrina in 2005 and the Tohoku earthquake of 2011 our century has been fraught with catastrophic natural disasters *Disaster Risk and Vulnerability* assesses the human toll and economic losses of natural disasters and reasserts the importance of human collaboration and organization in disaster management In most cases policy makers planners managers and regulators who implement disaster risk reduction response planning and management strategies remain detached from local conditions failing to address them effectively Presenting case studies from Asia and North America as well as a broad range of approaches to community mobilization and partnership development contributors show that local communities all levels of government and non governmental organizations must work collectively in order to reduce the harm caused by disasters Despite unprecedented progress in science and technology and governments continued efforts in disaster risk reduction socioeconomic losses due to environmental disasters continue to rise *Disaster Risk and Vulnerability* provides knowledge and information that will benefit anyone working in the fields of environment disasters and community mobilization in an effort to reverse this trend
