James MacGregor Burns

Reelecting Bill Clinton Why America Chose A New Democrat:

Reelecting Bill Clinton John Hohenberg, 1997-12-01 Journalist Hohenberg looks at the political factors leading to the first reelection of a Democrat to the US presidency since Roosevelt Among them are the shutdown of the government Colin Powell Bob Dole s campaign the Perot campaign Russia welfare reform the Whitewater scandal disaster relief anti tobacco legislation and Newt Gingrich Annotation copyrighted by Book News Inc Portland OR

Campaigning for President in America, 1788-2016 Scott John Hammond, Robert North Roberts, Valerie A. Sulfaro, 2016-04-25 What does it take to get elected president of the United States leader of the free world This book gives readers insight into the major issues and events surrounding American presidential elections across more than two centuries from the earliest years of the Republic through the campaigns of the 21st century The race for the presidency encapsulates the broader changes in American democratic culture This book provides insight into the major issues and events surrounding American presidential elections across more than two centuries from the earliest years of the Republic through the campaigns of the 21st century Readers will be able to see and understand how presidential campaigns have evolved over time and how and why the current state of campaigning for president came into being

The Race for the White House from Reagan to Clinton A. Bennett, 2013-02-06 The Race for the White House from Reagan to Clinton provides a foundation for how the presidential nomination process and the presidential election process have changed over the past three decades by addressing a number of important questions about the nomination and electoral processes

The Press and the Modern Presidency Louis W. Liebovich, 2001-06-30 Scandal and sex sell even in the serious business of presidential news coverage The media deference shown to Kennedy and the scrutiny applied to Clinton illustrate the changed relation between the two and bookend this pertinent updated 1998 Choice Outstanding Academic Book award winner Liebovich tackles misconceptions about the media s role in politics how chief executives cooperate with and manipulate the press as it suits their needs and how ratings pressures have bent coverage of elections and the Executive Branch for the worse Well written thorough and the only book to explore the changing relation between the press and the presidency in the later twentieth century students and researchers alike will profit from reading this work written by one of America s leading scholars in the field For students interested in communications history or contemporary American politics it is an unparalleled administration by administration introduction to the complex and intertwined workings of two of the most powerful and influential forces at work in American politics today It furthermore provides researchers with a solid historical explanation of how both presidential politics and political news coverage have come to be popularly reviled and discounted

The Catholic Voter in American Politics William B. Prendergast, 1999 Once a keystone of the Democratic Party American Catholics are today helping to put Republicans in office This book traces changes in party allegiance and voting behavior of Catholics in national elections over the course of 150 years and explains why much of the voting bloc that supported John F Kennedy has deserted the Democratic coalition

William B Prendergast analyzes the relationship between Catholics and the GOP from the 1840s to 1990s He documents a developing attachment of Catholics to Republican candidates beginning early in this century and shows that before Kennedy Catholics helped elect Eisenhower returned to the polls in support of Nixon and Reagan and voted for a Republican Congress in 1994 To account for this shifting allegiance Prendergast analyzes transformations in the Catholic population the parties and the political environment He attributes these changes to the Americanization of immigrants the socioeconomic and educational advancement of Catholics and the emergence of new issues He also cites the growth of ecumenicism the influence of Vatican II the abatement of Catholic Protestant hostility and the decline of anti Catholicism in the Republican party Clearly demonstrating a Catholic move toward political independence Prendergast s work reveals both the realignment of voters and the influence of religious beliefs in the political arena Provocative and informative it confirms the opinion of pollsters that no candidate can take the vote of the largest and most diverse religious group in the nation for granted The Politics of Authenticity in Presidential Campaigns, 1976-2008 Erica J. Seifert, 2014-01-10 Authenticity the dominant cultural value of the baby boom generation became central to presidential campaigns in the late 20th century Beginning in 1976 Americans elected six presidents whose campaigns represented evolving standards of authenticity Interacting with the media and their publics these successful presidential candidates structured their campaigns around projecting authentic images and connecting with voters as one of us In the process they rewrote the political playbook redefined presidentiality and changed the terms of the national political discourse This book is predicated on the assumption that it is worth knowing why Bill Clinton Nigel Hamilton, 2007-07-10 A decade and a half after President William Jefferson Clinton first took the oath of office biographer Nigel Hamilton tells the riveting story of what was possibly the greatest self reinvention of a president in office in modern times The Clinton presidency began disastrously kicking off with the worst transition in living memory and deteriorating through a series of fiascos from gays in the military to Hillary Clinton s failed health care reform How Bill Clinton faced up to his failures and refashioned himself in the White House thereafter is an epic hitherto unwritten story a story that climaxes with the trouncing of Bob Dole in the landslide presidential election in 1996 Clinton began his second term as the undisputed and tremendously popular leader of the Western world In vivid prose Hamilton charts Clinton s dramatic reversal of fortune and his ultimate triumph over himself and his foes Bill Clinton Mastering the Presidency is a riveting narrative of American politics an incisive character portrait and powerful reminder of what a great president can accomplish The Clinton Years Shirley Anne Warshaw, 2014-05-14 Comprehensive and easy to navigate The Clinton Years gives readers a full perspective of Bill Clinton s presidency from his successful economic policies to his relations with Monica Lewinsky This comprehensive A to Z reference contains more than 250 biographical entries examining the main politicians and foreign leaders during the administration and includes a number of primary source documents such as presidential speeches and executive decisions **Presidential Campaigns, Slogans, Issues, and Platforms** Robert North

Roberts, Scott John Hammond, Valerie A. Sulfaro, 2012-06-12 The book provides a comprehensive discussion of the major issues and events surrounding all American presidential elections from the earliest years of the Republic through the campaign of 2008 Presidential Campaigns Slogans Issues and Platforms The Complete Encyclopedia is an easy to use reference work designed to encourage students and anyone interested in democratic politics to undertake a greater understanding of this complex aspect of American political life The three volume work covers each presidential campaign in depth examining a large number of related issues ranging from the use of social media in modern presidential campaigns to negative campaign ads and key slogans used in every presidential campaign Volume One contains entries offering specific and focused information on issues trends factors slogans strategies and other more detailed elements of presidential campaigning from the first stirrings of the American democratic process to the first decade of the 21st century Volumes Two and Three provide chronological accounts of every presidential campaign since the ratification of the Constitution through the campaign of 2008 with Volume Two covering the campaign of 1788 89 to the campaign of 1908 and Volume Three covering the campaign of 1912 to the campaign of 2008 **Masculinity in Vietnam War Narratives** Brenda M. Boyle, 2014-01-10 Occurring alongside the Women's Rights Gay Rights Civil Rights and other identity movements of the 1960s the Vietnam War was part of an era that rescripted gender and other social identity roles for many if not most Americans This book examines the ways in which the war and its accompanying movements greatly altered traditional American conceptions of masculinity as reflected in discourses ranging from fictional narratives to memoirs films and military recruiting advertisements Analysis of two canonical fiction texts John Del Vecchio's *The 13th Valley* and Bobbie Ann Mason's *In Country* illustrates the interrelatedness of race sexuality disability and masculinity an approach appearing in no other book length study The text illustrates how decades later the masculine anxieties of the Vietnam era persist *Don't Stop Thinking About the Music* Benjamin S. Schoening, Eric T. Kasper, 2011-12-16 In this insightful erudite history of presidential campaign music musicologist Benjamin Schoening and political scientist Eric Kasper explain how politicians use music in American presidential campaigns to convey a range of political messages From Follow Washington to I Like Ike to I Got a Crush on Obama they describe the ways that song use by and for presidential candidates has evolved including the addition of lyrics to familiar songs the current trend of using existing popular music to connect with voters and the rapid change of music's relationship to presidential campaigns due to Internet sites like YouTube JibJab and Facebook Readers are ultimately treated to an entertaining account of American political development through popular music and the complex two way relationship between music and presidential campaigns *Presidential Campaigns* Paul F. Boller Jr., 2004-07-22 Were presidential campaigns always as bitter as they have been in recent years Or is the current style of campaigning a new political development In this revised and updated edition of *Presidential Campaigns* the answers to these questions are clear the race for the presidency although at times mean and nasty has always been an endlessly entertaining and highly charged

spectacle for the American public This book unveils the whole history of American presidential elections from the seamless ascent of General George Washington to the bitterly contested election of George W Bush bringing these boisterous contests to life in all their richness and complexity In the old days Boller shows campaigns were much rowdier than they are today Back in the nineteenth century the invective at election time was exuberant and the mudslinging unrestrained a candidate might be called everything from a carbuncle faced old drunkard to a howling atheist But there was plenty of fun and games too with songs and slogans speeches and parades all livening up the scene in order to get people to the polls Presidential Campaigns takes note of the serious side of elections even as it documents the frenzy frolic and the sleaze Each chapter contains a brief essay describing an election and presenting campaign highlights that bring to life the quadrennial confrontation in all its shame and glory With a postscript analyzing the major changes in the ways Americans have chosen their Presidents from Washington's time to the present Presidential Campaigns gives the reader a full picture of this somewhat flawed procedure For all of its shortcomings though this great American shindig is an essential part of the American democratic system and for better or for worse tells us much about ourselves

Searching for a Demon Steven M. Chermak, 2002 This provocative volume thoroughly examines the ways in which the media demonized militia groups following the devastating bombing of the Alfred F Murrah building in Oklahoma City Using quantitative and qualitative research methods Steven M Chermak offers a fresh perspective on how news coverage and popular entertainment transformed a largely overlooked movement into a symbol for this new threat of domestic terrorism and ignited a national panic over the militia menace Searching for a Demon describes the representation of the militia movement in the news media editorial cartoons films and television Chermak delves into such topics as the type and amount of coverage after the blast how social problems are constructed in the news the motivations and biases of authoritative or celebrity figures used as news sources and why images of militias were framed in specific ways Chermak balances his account with an in depth look at the philosophies activities and strategies of militia groups Drawing on extensive interviews he conducted at gun shows and preparedness exhibitions the author compares and contrasts media depictions of militia life and ideology with the firsthand accounts of members and leaders themselves and he assesses how media coverage affected changes in the movement In conclusion Chermak discusses the parallels between media treatment of militias in the wake of the Oklahoma City bombing and the coverage of the al Qaeda terrorist network after the September 11 2001 attacks Solidly grounded in social constructionist theory Searching for a Demon fills a significant gap in the literature on terrorism as well as on the roles of the news media and popular culture in reshaping the public consciousness after dramatic crimes

Running Alone James MacGregor Burns, 2009-06-16 A disastrous war in Iraq prisoner abuse secret wiretaps the presidency of George W Bush represents a crisis in American democracy How did this happen In Running Alone the revered political scientist and commentator James MacGregor Burns sets the imperial presidency of George W Bush in the context of half a century of

presidential politics In his 1960 campaign John F Kennedy turned his back on the Democratic Party He relied instead on his personal charisma and his family's vast wealth to win office Once elected he governed much as he had run alone He ignored the Democratic platform and instead sought counsel from a small group of hand-picked advisors including his own brother Kennedy fundamentally reshaped the role of President and each of his successors has built on this model American presidents have become increasingly isolated from the parties that brought them to power Democratic presidents Johnson Carter and Clinton did tremendous damage to the Democratic Party by abandoning its core principles Republican presidents have managed to lead more effectively in isolation but have imperiled the nation in the process Drawing on his own personal letters interviews and recollections of America's presidents Burns charts the decline of genuine leadership in the Oval Office and offers a stirring vision of what the presidency can and should be America deserves better leaders and with unsurpassed knowledge of American history and politics Burns shows us the way forward

Dead Center Georgia Jones Sorenson, James Macgregor Burns, 1999-11-26 The urgent question of our time is whether we can make change our friend and not our enemy To renew America we must be bold must revitalize our democracy Together with our friends and allies we will work to shape change lest it engulf us With those inaugural words William Jefferson Clinton began his first term as President of the United States Now a Pulitzer Prize winning historian and a former White House aide provide the first penetrating thoughtful evaluation of President Clinton's leadership Before he was voted into office Bill Clinton told the authors in an interview that he wanted to be a transforming leader a president who would fashion real and lasting change in people's lives in the tradition of Franklin Delano Roosevelt But how has this president who has sought to lead from the center with his vice president Al Gore and the First Lady Hillary Rodham Clinton measured up against his own stated goals and the aspirations and performances of other presidents since World War II From the health care debacle and the 1994 midterm elections that swept the Republicans to a majority in both houses of Congress to the effect of scandal and impeachment on his ability to govern *Dead Center* examines the leadership style of Bill Clinton and offers a forceful challenge to the strategy of centrism There is no more respected presidential historian than James MacGregor Burns author of several acclaimed books on leadership and the Pulitzer Prize winning study of Franklin D Roosevelt Georgia J Sorenson adds her own insights as a political scientist and presidential scholar Their combined efforts have resulted in an incisive informative authoritative work and an absorbing read

The American Presidency, 2017-01-01 The American Presidency updated for 2017 provides a rich journey through U S history Meet the occupants of the nation's highest office from George Washington to Donald Trump Each presidential summary includes a detailed biography the president's signature his vice president's a profile of the first lady and a timeline Coverage of the recent 2016 presidential election and information describing the Cabinet the White House election results the presidential flag and the presidential seal history are also included

Reelection Hanes Walton (Jr.), Hanes Walton, 2000 This is the first systematic and comprehensive analysis of Clinton as a native son presidential

candidate employing local country state and national data to show how elections can be derived from values and beliefs

The Emergency State David C. Unger, 2012-02-16 Editor's Choice NEW YORK TIMES BOOK REVIEW Ambitious and valuable WASHINGTON POST America is trapped in a state of war that has consumed our national life since before Pearl Harbor Over seven decades and several bloody wars Democratic and Republican politicians alike have assembled an increasing complicated and increasingly ineffective network of security services Trillions of tax dollars have been diverted from essential domestic needs while the Pentagon created a worldwide web of military bases inventing new American security interests where none previously existed Yet this pursuit has not only damaged our democratic institutions and undermined our economic strength it has fundamentally failed to make us safer In *The Emergency State* senior New York Times journalist David C Unger reveals the hidden costs of America's obsessive pursuit of absolute national security showing how this narrow minded emphasis on security came to distort our political life Unger reminds us that in the first 150 years of the American republic the U S valued limited military intervention abroad along with the checks and balances put in place by the founding fathers Yet American history took a sharp turn during and just after World War II when we began building a vast and cumbersome complex of national security institutions and beliefs Originally designed to wage hot war against Germany and cold war against the Soviet Union our security bureaucracy has become remarkably ineffective at confronting the elusive non state sponsored threats we now face *The Emergency State* traces a series of missed opportunities from the end of World War II to the election of Barack Obama when we could have paused to rethink our defense strategy and didn't We have ultimately failed to dismantle our outdated national security state because both parties are equally responsible for its expansion While countless books have exposed the damage wrought by George W Bush's war on terror Unger shows it was only the natural culmination of decades of bipartisan emergency state logic and argues that Obama along with many previous Democratic presidents has failed to shift course in any meaningful way *The Emergency State America's Pursuit of Absolute Security At All Costs* reveals the depth of folly into which we've fallen as Americans eagerly trade away the country's greatest strengths for a fleeting illusion of safety Provocative insightful and refreshingly nonpartisan *The Emergency State* is the definitive untold story of how America became this vulnerable and how it can build true security again *The 1990s*

The 1990s Richard Alan Schwartz, 2006 Traces the history of the United States during the 1990s through such primary sources as memoirs letters contemporary journalism and official documents *Women in American Politics: History and Milestones* Doris Weatherford, 2012-01-20 *Women in American Politics* is a new reference detailing the milestones and trends in women's political participation in the United States This two volume work provides much needed perspective and background on the events and situations that have surrounded women's political activities It offers insightful analysis on women's political achievements in the United States including such topics as the campaign to secure nation wide suffrage pioneer women state officeholders women first elected to U S Congress governorships mayoralities and other offices and women first appointed as

Cabinet officials judges and ambassadors It also includes profiles of the women who have run for vice president and president Women in American Politics is organized in a framework both logical and useful to readers and researchers Original material offers students scholars teachers and other professionals a guide to understanding the complex struggle in women s progress toward achieving political parity with men in the United States Each chapter is structured in three parts part one features graphic information tables lists charts or maps detailing the historical record with data not compiled anywhere else on women officeholders part two offers insightful narrative analysis describing how women achieved what they did examines the complex and sometimes contradictory trends behind the facts of women s political milestones and explores how social and economic contexts affected the progress of their accomplishments part three presents biographical entries describing in more personal terms women s struggle for political equality Sidebars in each chapter illuminate the drama of political life and consider the evolving female electorate exploring how women voters have impacted particular issues specific elections or other key turning points and the tradition of appointing widows to open seats The final chapter uniquely looks at women s political history and differences in achievement from a state and regional perspective Entries on each state as well as on District of Columbia and Puerto Rico highlight milestones and provide insight into the unique aspects of each state

Reelecting Bill Clinton Why America Chose A New Democrat Introduction

In the digital age, access to information has become easier than ever before. The ability to download *Reelecting Bill Clinton Why America Chose A New Democrat* has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download *Reelecting Bill Clinton Why America Chose A New Democrat* has opened up a world of possibilities. Downloading *Reelecting Bill Clinton Why America Chose A New Democrat* provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading *Reelecting Bill Clinton Why America Chose A New Democrat* has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download *Reelecting Bill Clinton Why America Chose A New Democrat*. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading *Reelecting Bill Clinton Why America Chose A New Democrat*. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading *Reelecting Bill Clinton Why America Chose A New Democrat*, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download *Reelecting Bill Clinton Why America Chose A New Democrat* has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it

is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Reelecting Bill Clinton Why America Chose A New Democrat Books

1. Where can I buy Reelecting Bill Clinton Why America Chose A New Democrat books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Reelecting Bill Clinton Why America Chose A New Democrat book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
