Reference Services And Technical Services Interactions In Library Practice:

Reference Services and Technical Services Gordon Stevenson, Sally Stevenson, 2019-12-05 This book first published in 1984 analyses the provision of more effective library service by relying more heavily on collaboration between reference and technical services librarians Modern Library Technology and Reference Services Samuel T. Huang, 1993 A dozen articles suggest a variety of ways for libraries to enhance their daily reference service and the image of librarianship and to bring in more users They emphasize the interaction of both the staff and the clients with new technology Also published as The Reference Librarian no 39 1993 No index The paper edition has the same ISBN Annotation copyright by Book News Inc Portland OR

Reference Services in the Humanities Judy Reynolds, 1994-11-11 This helpful book provides practical insight into the work and environment of reference services in the humanities Librarian s mental maps of humanities reference materials must include an awareness of the metaphoric not too precise nature of many patrons queries Reference Services in the Humanities discusses the structure of literature in the humanities and how it matches or challenges mental images of the field Chapters are infused with the issues of language names and meaning within a metaphoric genre The book serves as a guide to humanist s use of metaphoric language and also as a bibliography of sources Reference Services in the Humanities contains specific references for finding materials in areas that are not traditional mainstream arts This sample of disciplines provides case studies depicting each field s particular idiosyncrasies Chapters examine the challenge of referral reference and common problems encountered in searching for answers to patrons questions The book contains a theoretical framework for interacting with patrons and addresses options for humanities reference in an electronic age This book brings together librarians and researchers who provide and manage reference services to a wide array of disciplines within the humanities Authors come from all types of libraries and represent a broad spectrum of patrons from the young student curious about the movies to practicing musicians and craftspersons This diversity provides an informative grounding for practitioners and library school students and faculty who wish to become effective reference librarians in the future Reference Services in the Humanities is divided into four sections which address research questions and challenges in selected disciplines descriptions from the field political issues in the humanities and theories and ideas for the future Specific topics explored include access to special collections censorship library resources for theater artists history research vocabulary control labeling of minorities craft information sources and much more

The Reference Librarian and Implications of Mediation Melvin Keith Ewing, Robert Hauptman, 1992 This informative volume is filled with valuable insights on the reference librarian s role as a connecting link between information seekers and the resources that provide answers to their questions The Reference Librarian and Implications of Mediation helps librarians become successful mediators by teaching them the best approaches to providing resolutions or guidance to the appropriate resources Chapters focusing on reference skills communication abilities accuracy in responding to specific inquiries and sensitivity to various

groups such as paraprofessionals and nontraditional patrons teach librarians how to become more effective mediators This provocative book encourages librarians to go beyond merely providing answers or resources to helping clients better understand the physical surroundings the social or educational context and the ethical political and economic climate in which the process takes place A broad selection of chapters interpret mediation and explore diverse topics including traditional mediation the impact of information technologies the need for a human context and an increasingly diverse group of library patrons requiring mediation services The Reference Librarian and Implications of Mediation shows librarians how to develop a full understanding of an inquiry ferret out what a client really needs and ultimately pursue an appropriate response Specific chapters cover a wealth of mediation topics including a call for a return to client oriented mediation electronic reference services information paraprofessionals the academic librarian s role in the educational process relationship between composition teachers and reference librarians predicting mediation accuracy from user impressions the influence of a shrinking information economy academic librarians and mediation in controversial scholarly communication

School Library Reference Services in the 90s Carol Truett,1994 Here is a succinct update on school library reference services for the busy practitioner or student Exploring the state and state of the art of school library reference services in the 1990s this book provides an overview of current information skills teaching models the impact of new technologies on the teaching of reference and the student search process and assessment and evaluation models for gauging the success of school reference services *School Library Reference Services in the 90s* is an informative guide for school media coordinators and specialists library science graduate students and professors and researchers in the field to help them understand what students must learn and what teachers must teach to keep everyone up to date in the fast changing world of reference *School Library Reference Services in the 90s* is divided into three sections that cover reference research teaching models technology and evaluation Topics in the first section include an examination of the current state of affairs in reference teaching a look at various models for integrating library research and reference skills into the curricula and discussions of the effects of these new models on the school librarian s role Section two addresses the profound effect new technologies such as CD ROM multimedia CD I and CD TV are having on both the teaching of reference and information skills and on the entire research process from initiation to production of the final student report The last section presents three models for assessing the effectiveness of school reference services and skills instruction *School library reference services and particularly library instruction are changing dramatically in the 1990s as a result of the information age* *School Library Reference Services in the 90s* helps professionals in the field stay abreast of current developments and be more effective in their jobs

Reference Service Expertise William A. Katz,1993 This important volume presents a wealth of practical ideas for improving the art of reference librarianship *Reference Service Expertise* provides pragmatic ways for librarians to aid patrons consider reference collections and how they are employed and assess various technologies in reference work Dedicated to the idea that

reference service is a benevolent desire to help the sometimes puzzled library user this unique book describes numerous and varied means to that end and encourages reference librarians to become familiar with the multiple resources available in modern libraries Reference Service Expertise pinpoints specific areas in which librarians can increase their knowledge in order to become more efficient These strategies include using a systems approach in reference instruction for library professionals guidelines for academic librarians to use for evaluating facilities services and staff as to how effectively they welcome users and validate their information needs using team teaching to instruct users about library services developing legal reference skills to support the constitutional right to know in a self governing society and helping non science librarians to become science literate by reading popular science literature watching science television programs visiting science museums and generally increasing their awareness of the problem of science illiteracy among the general population A wide variety of resources available in today s reference libraries are discussed to help librarians become better informed about the options available to their patrons including ERIC and NTIS and the information gap between the two databases resources on the evolving market economy or investments in the Commonwealth of Independent States fee based services PsycLIT CD ROM PsycINFO online and the difference in retrieval patterns using the same vocabulary of terms interactive media centers advantages and shortcomings Reference librarians in all types of libraries will benefit from chapters that describe specific methods for improving their own personal effectiveness as well as chapters that evaluate specific services and reference tools available for reference library users

The Image and Role of the Librarian Linda S Katz, 2003-06-27 Get a unique insight into the image problems librarians face The Image and Role of the Librarian addresses all aspects of professional identity for librarians including professional roles cultural images popular perceptions and future trends The book examines historical representations stereotypes and popular culture icons and the r

Reference Services and Media Linda S Katz, 2014-07-16 Get the most out of your reference information systems and technology Reference Services and Media meets the information challenges that overwhelm and assist us today with computerization electronics and telecommunications changes in the reference services of our libraries As a professional in the library science field you will discover innovative theories and researched solutions on many technology problems and challenges such as formatting and compatibility training of reference professionals and library users costs and information have and have nots With the year 2000 and beyond upon us emerging technologies afford tremendous opportunities for reference librarians and for improved and enhanced public access to information In Reference Services and Media you will learn about planning for staffing troubleshooting fund raising and budget developing to support the use of information technologies You will also examine the impact new media has on academic libraries specifically video and movie clips that are transferred over intranets and internets and their opportunities and legal implications In Reference Services and Media you will also explore desktop conferencing and web access for reference services versus personalized contact desktop conferencing with personal computers in remote areas for reference

service assistance positive and negative aspects of using each technology in reference use instruction creative methods for procuring funding for an electronic information literary instruction classroom providing a digital library for a state library network raising confidence levels of public service librarians in using electronic resources to answer reference questions Reference Services and Media includes case studies tables and an annotated bibliography that serves as a librarian s media reference toolkit making it essential for effective media reference work An excellent source for the reference librarian Reference Services and Media will assist you in adopting and incorporating new information technologies for the present and future

New Technologies and Reference Services Linda S Katz, 2019-07-15 Offer your patrons the cutting edge reference services they demand In the past a reference librarian needed to develop a command of a few reference works master the skills of the reference interview and interface with library users in person or via telephone Today s reference librarian is faced with much much more New Technologies and Reference Services suggests ways you can tame the information explosion and take advantage of new technologies This comprehensive volume recounts the ways reference librarians have adapted traditional services to deal with the changes in both information technologies and library patrons New Technologies and Reference Services offers tested techniques for fostering information literacy in patrons daunted by the high tech edge of the new library Even computer savvy younger students may need help learning specialized searching skills This practical volume suggests several innovative ways to teach those skills using interactive classrooms drop in seminars and required courses New Technologies and Reference Services discusses the other implications of new technologies including developing trends in publishing including value added services and the death of the printed encyclopedia the effects of CD ROM electronic publishing and the Internet on copyright issues videoconferencing at the reference desk collection strategies and budgets in an era of multiple formats decentralizing library reference services information apartheid the growing gap between the information haves and have nots This helpful volume gives practical tested advice and ideas on the broader issues of information technology With plentiful Web addresses New Technologies and Reference Services presents new ideas sure to make your job easier

Integrating Library Use Skills Into the General Education Curriculum Linda S Katz, 2021-04-14 This provocative new book will help you design and implement the most effective library user education possible one that builds on basic library use skills through a progressively sophisticated program that is fully integrated into course curriculum at all levels from the freshman year to graduation and beyond By exploring major issues underlying the integration of library use skills and research methodologies into the general education curriculum contributors raise important questions offer creative ideas and provide insight into the many improvements made in library instruction in the past few years Following an introduction by Patricia Breivik a recognized national authority on libraries and general education contributors representing two and four year institutions and research universities discuss such issues as the relationship between high school and college programs research skills instruction in a remote access

environment the use of microcomputers and end user searching programs to promote critical thinking and the improved relationship between librarians and faculty In addition to articles on library instruction geared towards question analysis information generation by field structure of published knowledge and dissemination of a discipline s literature chapters identify cooperative efforts needed among school public special academic libraries and other information agencies computer center personnel and online database vendors Bibliographic instruction librarians who are active participants in planning and administering library user education programs will find this volume to be essential for building and developing stronger more integrated programs
