COMMAND AND CRISIS
IN KOREA
1950-1953

Refighting The Last War

Lewis Sorley

Refighting The Last War:

Refighting the Last War D. Clayton James, 2010-06-15 Distinguished historian D Clayton James offers a brilliant reinterpretation of the Korean War conflict Focusing on the critical issue of command he shows how the Korean War is a key to understanding American decision making in all military encounters since World War II Korea the first of America's limited wars to stem the tide of world communism was fought on unfamiliar terrain and against peasant soldiers and would become a template for subsequent American military engagements especially Vietnam And yet the strategic and tactical doctrines employed in Korea as well as the weapons and equipment were largely left over from World War II James the master biographer of MacArthur uses studies of military crises to examine the American high command in the Korean War He explores the roles leadership personalities and prejudices of five key commanders President Harry S Truman Generals Douglas MacArthur Matthew B Ridgway and Mark W Clark and Admiral C Turner Joy and then looks at six crucial issues confronting them in that conflict From the decision made by Truman without congressional approval to commit United States forces to combat in Korea to MacArthur's persistent fight for approval of his dangerous plan to assault Inchon to the judgment to finally open truce negotiations these turning points illuminate the American way of command in wartime James analyzes the ground level results and long term implications of each choice and sensitively explores the course that might have followed if other options had been taken Probing the nature and consequences of these military resolutions James shows how the conduct of the Korean War like every new war bears the imprint of the preceding one

Fighting Patton Harry Yeide, 2014-03 DIV In *Fighting Patton* noted historian Harry Yeide is the first to examine legendary U S General George S Patton Jr through the eyes of his enemies the opposing German commanders of WWII div

American Military Leaders John C. Fredriksen, 1999-06-18 A comprehensive collection of biographies of the most prominent military leaders in American history *American Military Leaders* contains over 400 A Z biographies of individuals such as Admiral Elmo Zumwalt who ended hundreds of years of tradition by allowing women to serve on Navy ships and Francis Marion the Swamp Fox whose rules of clandestine warfare are still followed by the U S Special Forces Coverage centers on the outstanding generals sergeants fighter aces militiamen theorists doctors and nurses who make up America's military history This volume presents their backgrounds contributions and significance to America's fortunes in war This title also cites works for further research includes a list of leaders organized by their military titles and a comprehensive index

MASH Otto Apel, Pat Apel, 1998-08-27 Erindringer fra the Mobile Army Surgical Hospital *MASH*

The Complete Idiot's Guide to the Pentagon Jeff Cateau, Michael Levin, 2002-10-01 Provides an introduction to the command center for United States military operations and discusses the history of the physical structure its organization personnel and some of its residents including the CIA NSA and NIMA

The Price of the Sky: Phantom Empire Gaurav Garg, In the sun baked dust of Sinaloa Aurelio Carrillo is a new breed of narco He scoffs at brutal chaotic violence envisioning a meticulously managed logistics network a

transnational corporate empire moving tons of cocaine with cold calculated precision His brainchild the Air Bridge a fleet of repurposed Boeing 727s flying undetected makes him the undisputed Lord of the Skies challenging traditional cartels and even governments But Aurelio's invisible ascent draws the unwavering gaze of Jack Keller a sharp disillusioned DEA agent haunted by personal tragedy and exiled to the US Mexico border Convinced the system is riddled with corruption Keller begins a relentless financial investigation unearthing a shocking truth Aurelio's protection extends to the highest echelons of the Mexican military including the nation's celebrated drug czar General Mateo Navarro As courageous journalist Sofia Delgado uncovers the unspeakable femicides in Ju rez inadvertently connecting them to the city's reigning narco kingpin and the pervasive impunity the quiet war explodes into a public crisis Aurelio faces a multi front assault fierce turf battles from cunning rivals like El Corto Guzmán a devastating military raid on his sanctuary and a global financial dragnet orchestrated by Keller's clandestine task force Will Aurelio achieve complete erasure and become the true ghost he always envisioned leaving justice with a hollow victory Or will the hunt finally pull him from the shadows in a war that never truly ends This gripping crime thriller explores power betrayal and the ultimate price of invisibility

Reader's Guide to American History Peter J. Parish, 2013-06-17 There are so many books on so many aspects of the history of the United States offering such a wide variety of interpretations that students teachers scholars and librarians often need help and advice on how to find what they want The Reader's Guide to American History is designed to meet that need by adopting a new and constructive approach to the appreciation of this rich historiography Each of the 600 entries on topics in political social and economic history describes and evaluates some 6 to 12 books on the topic providing guidance to the reader on everything from broad surveys and interpretive works to specialized monographs The entries are devoted to events and individuals as well as broader themes and are written by a team of well over 200 contributors all scholars of American history

Joint Force Quarterly, 1999 Joint Force Quarterly is published for the Chairman Joint Chiefs of Staff by the Institute for National Strategic Studies National Defense University to promote understanding of the integrated employment of land sea air space and special operations forces The journal focuses on joint doctrine coalition warfare contingency planning combat operations conducted by the unified commands and joint force development

Project 2015 Patrick M. Cronin, 1997-11 This work looks ahead to the year 2015 and beyond seeking to understand how the American armed forces might contribute better to the nation's future security The authors try to conceptualize how a transformed world situation 20 years from now could affect U S security They describe the most plausible changes likely to develop not as prophecy nor as an intelligence forecast but as a considered statement of those recognizable trends that portend the greatest influence on U S security By being cognizant of such plausible alternatives American policy makers would have the chance to pursue or avoid them

Professional Journal of the United States Army, 2009 *Military Review*, 2009 [Department of Defense Authorization for Appropriations for Fiscal Year 2000 and the Future Years Defense Program](#) United States. Congress. Senate. Committee on

Armed Services,1999 "What we're fighting for ..." Gerhard Beestermöller,Michael Haspel,Uwe Trittman,2006 **The Marine Corps Gazette** ,1974 *Honorable Warrior* Lewis Sorley,1998 A man of extraordinary inner strength and patriotic devotion General Harold K Johnson was a soldier s officer loved by his men and admired by his peers for his leadership courage and moral convictions Lewis Sorley s biography provides a fitting testament to this remarkable man and his dramatic rise from obscurity to become LBJ s Army Chief of Staff during the Vietnam War A native of North Dakota Johnson survived more than three grueling years as a POW under the Japanese during World War II before serving brilliantly as a field commander in the Korean War for which he was awarded the Distinguished Service Cross for extraordinary heroism The latter experiences led to a series of high level positions that culminated in his appointment as Army chief in 1964 and a cover story in Time magazine What followed should have been the most rewarding period of Johnson s military career Instead it proved to be a nightmare as he quickly became mired in the politics and ordeal of a very misguided war Johnson fundamentally disagreed with the three men LBJ Secretary of Defense Robert McNamara and General William Westmoreland running our war in Vietnam He was sharply critical of LBJ s piecemeal policy of gradual escalation and his failure to mobilize the national will or call up the reserves He was equally despondent over Westmoreland s now infamous search and destroy tactics and reliance on body counts to measure success in Vietnam By contrast he advocated greater emphasis on cutting the North s supply lines helping the South Vietnamese provide for their own internal defenses and sustaining a truly legitimate government in the South Unheeded he nevertheless continued to work behind the scenes to correct the nation s flawed approach to the war Sorley s study adds immeasurably to our understanding of the Vietnam War It also provides an inspiring account of principled leadership at a time when the American military is seeking to recover the very kinds of moral values exemplified by Harold K Johnson As such it presents a profound morality tale for our own era *Reader's Guide to Military History* Charles Messenger,2013-10-31 This book contains some 600 entries on a range of topics from ancient Chinese warfare to late 20th century intervention operations Designed for a wide variety of users it encompasses general reviews of aspects of military organization and science as well as specific wars and conflicts The book examines naval and air warfare as well as significant individuals including commanders theorists and war leaders Each entry includes a listing of additional publications on the topic accompanied by an article discussing these publications with reference to their particular emphases strengths and limitations *Oversight Hearings on U.S. Foreign Trade Policy* United States. Congress. Senate. Committee on Finance,1976 **Military Intelligence** ,1994 Military Intelligence Professional Bulletin ,1993 **Implementation of Lessons Learned from the Persian Gulf Conflict** United States. Congress. Senate. Committee on Armed Services. Subcommittee on Coalition Defense and Reinforcing Forces,1994
