Reflection On Vietnam

James B. Stockdale

Reflection On Vietnam:

Reflections on the Vietnam War United States. Dept. of the Army. Center of Military History, 1979 **The American Experience in Vietnam** The Editors of Boston Publishing Company, 2014-11-07 The updated commemorative volume to the groundbreaking Pulitzer Prize nominated collection from Boston Publishing The American Experience in Vietnam combines the best serious historical writing about the Vietnam War with new never before published photos and perspectives for the fiftieth anniversary of the conflict Reflections on Vietnam R. G. Clarke, 2021-03-27 The war in Vietnam impacted more than just the lives of those who were there it toppled governments forced changes to national policy and forever altered lives But what of those who were there Reflections on Vietnam lays bare the real life experiences of some of those who were there giving insight to the effect of those experiences on those who lived through it *A Vietnam Experience* James B. Stockdale, 2013-09-01 The decade that followed James Stockdale's seven and a half years in a North Vietnamese prison saw his life take a number of different turns from a stay in a navy hospital in San Diego to president of a civilian college to his appointment as a senior research fellow at the Hoover Institution In this collection of essays he offers his thoughts on his imprisonment Describing the horrors of his treatment as a prisoner of war Stockdale tells how he discovered firsthand the capabilities and limitations of the human spirit in such a situation As the senior officer in confinement he had what he humbly describes as the easiest leadership job in the world to maintain the organization resistance and spirit of ten of the finest men I have ever known His reflections on his wartime prison experience and the reasons for his survival form the basis of the writings reprinted here In subject matter ranging from methods of communication in prison to military ethics to the principles of leadership the thirty four selections contained in this volume are a unique record of what Stockdale calls a melting experience a pressure packed existence that forces one to grow Retired Vice Admiral James B Stockdale a Hoover Institution fellow from 1981 to 1996 was Ross Perot's 1992 presidential running mate and a recipient of the Medal of Honor after enduring seven and a half years as a prisoner of war in North Vietnam He died in 2005 at the age of 81 **Triumph Or Tragedy** Richard N. Goodwin, 1966 **Triumph or tragedy: reflection on Vietnam** Richard N. Goodwin, **Vietnam & Beyond** Jenny La Sala; Jim Markson, 2014-09-22 Vietnam and Beyond is a collection of wartime letters written home by Jim Markson from March 1967 to March 1968 Jim carried sadness and boxed up memories from Vietnam Perhaps if it were not for the general divided and oppositional public opinion of the Vietnam War at that time the soldiers returning home might have been able to open up and begin the healing process Instead those soldiers returning from Vietnam were afraid to tell their story These fears bound each soldier to the other We are very proud to embrace all veterans and include stories of veterans of all wars including WWII Korea Vietnam Iraq and Afghanistan to show the similarities of war and the soldier from one generation to another *Reflections on the Vietnam War* Cao Van Vien, 1980 **After the Storm** Paul Drew, 1999 Paul Drew could never have predicted the impact that combat and the underlying mood of the nation would have on him and his

fellow soldiers The social stigma still stings for most Vietnam vets who were thought of as drug addicted baby killing drones behind a war that was an embarrassing mistake and a failure This is not a combat diary but honest observations about a generation those responsible for the conduct of the war and the events that laid the groundwork for the state of the nation today a nation that still has yet to learn to hate war but respect its warriors Why Vietnam Margaret Colbert Brown, 2025-03-30 Explores the complex reasons behind the USA's involvement in Vietnam analyzing political social and military factors The reasons behind the USA's involvement in Vietnam remain a subject of extensive debate Initially America supported the French until their defeat at Dien Bien Phu which then shifted to backing the South Vietnamese government due to fears of communism spreading throughout Southeast Asia Why Vietnam delves into the myriad reasons for US involvement examining theories that date back to 1918 when Woodrow Wilson ignored Ho Chi Minh's plea for independence at the Treaty of Versailles through to Johnson's full commitment to the undeclared war which restrained the military to a defensive role in protecting South Vietnam instead of an offensive one that would send troops across the DMZ into Laos and Cambodia The questions of why the USA became involved whether their involvement was justified and if the war was ever winnable have been fiercely debated for over 50 years This book seeks to address these whys by providing a thorough examination of all contributing factors from presidential actions to foreign policy and the social and political climates of the war era
