Jeffers, 2003 The book chronicles James Jeffers life from about age two but it purposefully falls short of being either memoirs or autobiography With this work he has attempted to simply record for his children grandchildren and others the wonderful events of his life as he experienced them The book covers thousands of miles of travel along with living and working with peoples of differing cultures on three continents and in the Caribbean five foreign countries and fifteen different states spanning the nation from coast to coast to coast [Reflection on America's Great Loop](#) George Hospodar, Patricia Hospodar, 2012 Adventure is not just for the young Though I own a boat was the opening phrase to their courtship and eventual married life little did Baby Boomer couple George and Pat Hospodar know then that those words would lead to their making a year long journey of a lifetime aboard their boat Reflection almost forty years later This book welcomes and encourages not only fellow boaters but also armchair adventurers and dreamers of all ages to join them aboard as they share a light hearted real life account of their travels on the circumnavigation of the waterways of the eastern United States and Canada In addition for those who may consider making this journey themselves the authors offer insights and tips on Routes Anchorages Navigation Locking Marinas Free dockage Low bridges Fuel stops Restaurants Shopping Points of interest and local history Border crossings in Canada and the United States Local marine weather websites and phone numbers **Back Roads and Better Angels** Francis S.
