Reflections In Prison:

A Deputy Warden's Reflections on Prison Work Adria L. Libolt, 2012-01-20 This book is a picture of prison life from the inside It illustrates prison life as at turns exciting surprising distressing and often amusing Each day is different and anyone who walks through a prison gate had better be alert It tells of the small human dramas that play out daily among staff prisoners and others who enter this gated world It calls the reader to see that justice begins by seeing each person staff or prisoner as an individual with his or her own story The passion of the author is to portray prison life as continuous with life in broader society In prisons we meet the same cast of characters the same temptations the same dangers and the same rewards as on the outside Rather than regarding prisons as separate worlds we should regard them as extensions of the society in which we live This is important because there is a continuous flow between prisons and the broader society Those who go to prison usually return to society Understanding how prisons work will help us as we consider how to reintegrate former prisoners into our society As the author argues this is difficult but important work

Reflections in Prison Mac Maharaj, 2001 In the first three months of 1976 during his imprisonment on Robben Island Nelson Mandela wrote the bulk of his autobiography *Long Walk to Freedom* This was an illegal act and the manuscript had to be smuggled out by fellow prisoner Mac Maharaj on his release that year Maharaj used the opportunity to ask Mandela and other political prisoners to write essays about South Africa's political future These were smuggled out with Mandela's autobiography and are published 25 years later in this book

Reflections in Prison Mac Maharaj, 2010-11-18 In 1976 when he was imprisoned on Robben Island Nelson Mandela secretly wrote the bulk of his autobiography *Long Walk to Freedom* The manuscript was to be smuggled out by fellow prisoner Mac Maharaj on his release later that year Maharaj also urged Mandela and other political prisoners to write essays on southern Africa's political future These were smuggled out with Mandela's autobiography and are now published for the first time 25 years later in *Reflections in Prison* This collection of essays provides a unique snapshot of the thinking of Nelson Mandela Walter Sisulu Govan Mbeki Ahmed Kathrada and other leaders of the anti apartheid struggle on the eve of the 1976 Soweto Uprising It gives an insight into their philosophies strategies and hopes as they debate diversity and unity violent and non violent forms of struggle and non racism in the context of different interpretations of African nationalism Each essay is preceded by a short biography of the author a description of his life in prison and a pencil sketch by a leading black South African artist The collection begins with a foreword by Desmond Tutu and a contextualising introduction by Mac Maharaj These essays are far more than historical artefacts They reveal the thinking that contributed to the South African miracle and address issues that remain burningly relevant today

The Palgrave Handbook of Prison Ethnography Deborah H. Drake, Rod Earle, J. Sloan, 2016-01-12 The Palgrave Handbook of Prison Ethnography provides an expansive overview of the challenges presented by qualitative and particularly ethnographic enquiry The chapters reflect upon the means by which ethnographers aim to gain understanding make sense of what they learn and the way they represent their finished work The Handbook offers urgent insights relevant to current trends in the growth of imprisonment worldwide In an era of mass incarceration human centric ethnography provides an important counter to quantitative analysis and the audit culture on which prisons are frequently judged The Handbook is divided into four parts Part I About Prison Ethnography assesses methodological theoretical and pragmatic issues related to the use of ethnographic and qualitative enquiry in prisons Part II Through Prison Ethnography considers the significance of ethnographic insights in terms of wider social or political concerns Part III Of Prison Ethnography analyses different aspects of the roles ethnographers take and how they negotiate their research settings Part IV For Prison Ethnography includes contributions that convincingly extend the value of prison ethnography beyond the prison itself Bringing together contributions by some of the world's leading scholars in criminology and prison studies this authoritative volume maps out new directions for future research It will be an indispensable resource for practitioners students academics and researchers who use qualitative social research methods to further their understanding of prisons
