Improving Classroom Practice Through a Culturally-Centered Education Program Maxine Newsome, 2012-06-30 Culturally centered educational experiences form the core of classroom practice Beginning and experienced teachers at all grade levels and instructional settings learn how to help all students achieve their full potentials through an education program which draws on information from multiple cultures and perspectives Through day to day classroom practice in both the regular and hidden curriculum and by joining forces with parents and the community they learn to employ practices which broaden students understanding of the world and its peoples

Handbook of Teacher Education Tony Townsend, Richard Bates, 2006-08-09 This book has its origins in conversations that started when the International Council on Education for Teaching ICET and the Australian Teacher Education Association ATEA jointly agreed to co sponsor a World Assembly of Teacher Educators in Melbourne in July 2003 hosted by Monash University The editors of this book were not only intimately involved in the management of the conference but had also been key figures in the Associations involved Tony Townsend had been secretary and on the national board of the South Pacific Association for Teacher Education SPATE which later became ATEA and had previously managed a SPATE conference in Frankston Australia in the 1980s He is currently the President of ICET and now works at Florida Atlantic University Richard Bates has been a long time board member of ATEA and is currently President of that organization He is also a Board member of ICET The International Council on Education for Teaching ICET was founded in 1953 for the purpose of emphasizing international cooperation in educational development in order to improve the quality of teacher education as well as to expand global educational opportunities for people in teacher education Since that time ICET has developed into an international association of practitioners of teacher education policy and decision makers in education government and business dedicated to global

development through education ICET is a Non Governmental Organization NGO and participates in NGO meetings and other UNESCO sponsored conferences around the world

Improving Classroom Practice Through Culturally-Transformative Teaching Maxine Newsome, 2012-06-30 Culturally transformative teaching restores teaching excellence to prominence in classroom practice through its systematic approach to precise teaching It develops the pedagogical and cultural competence of both beginning and experienced teachers with learners in all instructional settings from the primary grades through university levels Comprehensive explanations and examples throughout the volume help teachers get better and better at designing and conducting effective lessons so that all students have an equal opportunity to learn regardless of their cultural backgrounds or status in American society The lesson framework and principles of the teaching model have been field tested to serve as a growth oriented university school or district wide teacher development and evaluation system

Building E-Portfolios Using PowerPoint Kathleen K. Montgomery, David A. Wiley, 2008-01-24 Building E Portfolios Using PowerPoint A Guide for Educators Second Edition addresses the use of e portfolios by pre and in service educators as a self assessment tool and as a way to measure their students performance The first half of the book explains what portfolios are what makes an electronic portfolio or e portfolio superior to physical portfolios and how they should be organized The second half of the book addresses which computer programs can be used to build an e portfolio then presents detailed instructions on using Microsoft PowerPoint R to create effective visually rich portfolios The book is filled with pedagogy each chapter beginning with a conversation scenario to add relevance and meaning for the reader There are also numerous charts summaries a glossary and appendices A Student Resource CD with PowerPoint templates sample e portfolios and additional student resources is available

Improving Classroom Practice Through Culturally-Inclusive Classroom Management Maxine Newsome, 2012-06-29 Practical classroom management applications assure that beginning and experienced teachers of all grade levels and instructional settings develop the cultural and managerial competence to make daily classroom practice easier effective and culturally inclusive Through developing culturally competence teachers learn to manage classrooms with a culturally inclusive mindset in both mainstream and non mainstream classrooms alike They learn from start to finish how to structure and manage a culturally inclusive classroom how to establish the governance principles how to set up the structure for operating the classroom with sensitivity and caring and how to prevent and address student misbehavior Emphasis is on helping students become disciplined caring individuals and on assuring fairness and due process in applying penalties for misbehavior

Education in Nigeria Daniel A . Nomishan, 2023-05-25 This book Education in Nigeria Reflections and Global Perspectives provides a broad overview of education in Nigeria It recognizes the vital role education plays in the development of Nigeria and has attempted to air the concerns and call of the Nigerian public as well as educators for reform in the educational system in Nigeria The book further recognizes that Nigerian education continues to be evolved first into a system of Western European education and then into a global system of education It

attempts to examine the status of education in Nigeria and thereby seeks solutions by exploring Nigeria's and global historical perspectives current trends and future directions regarding students and learning teachers and teaching the school curriculum and administration of schools It is expected that the comprehensive nature of the text will be beneficial to individuals in teacher preparation programs as well as those who plan to work with children in pre kindergarten nursery through secondary settings The chapter content of the book focuses on the variation of thought as to the principal objectives of educators to help students in Nigeria develop habits skills and ideas and help them to think It adds to the importance of providing education to all especially at the time when Nigeria is frankly making an effort to affirm democracy For any nation to be truly democratic it must maintain an educated electorate Education prepares people to make informed decisions that affect the society All children in Nigeria should therefore receive an education to prepare them to become effective members of the world society This book seeks to examine and reflect on education in Nigeria and globally are genuinely working in order to produce not only intelligent men and women who will be cultured and skilled but also the leaders who will adapt themselves to their environment adjust themselves to the outside world and give direction and purpose to their people for the building of a modern nation whose nationals must realize that they are destined to give leadership in many directions of human endeavour Dr Nnamdi Azikiwe FMR President of Nigeria speaking of progressive elements of Nigeria
