Reform In China Challenges And Choices:

Reform in China B.L. Reynolds, 2016-07-08 This work includes every Supreme Court case relevant to gender and sexual equality from 1787 to the end of the 1999 2000 term It is a primary document reference book organized in eight chapters including civil and social rights and duties morality and sexual ethics and education policies **Reform in China** Chinese Economic System Reform Research Institute, 1987 **China And The Challenge Of The Future** Carol Lee Hamrin, 2019-03-04 This book highlights information obtained from formal interviews and informal conversations with knowledgeable Chinese in 1985 1987 It reveals the growing participation in politics of social groups and related changes underway in the patterns of contemporary Chinese political thought and culture *Strategic Asia 2008-09: Challenges and Choices* National Bureau of Asian Research (U.S.), 2008 The eighth volume in NBR's Strategic Asia series assesses the major strategic choices on Asia facing the new U S president and administration as well as the broader policy community Through a combination of country regional and topical studies the book analyzes the impact of U S policy and geopolitical developments on Asia's transformation over the past eight years **The Cambridge Handbook of Contemporary China** Colin Mackerras, Amanda Yorke, 1991-05-02 The paradox of contemporary China its openness to Western technology yet its rejection of Western democratic ideals serves to make China appear remote and inaccessible to those outside The country's vast area and population only accentuate these difficulties The Cambridge Handbook of Contemporary China presents topical information on all aspects of Chinese life since 1949 with particular emphasis on the 1980s its major strength is its contemporary focus and easy to use format Useful maps and tabled statistics accompany the text which is divided into clearly defined categories Designed for students specialists educationalists journalists and those in business and government as well as the general reader the Handbook provides easy access to information on all areas of Chinese life and is a good starting point for research **Price Reform in China, 1979-86** Jiann-Jong Guo, 1992-06-18 This text investigates the characteristics achievements and difficulties in reforming the producer and procurement pricing system in China It attempts to show how the price system moved from a high degree of control in a rigid command economy to partial control in a more decentralized economy **China's Reform in the Next Ten Years** Yilin Press, 2016-05-24 A collection of essays by leading Chinese political economists about the economic challenges facing China today and the reforms to everything from financial institutions to urban housing policy that will be necessary to prepare for the next ten years **How China Escaped Shock Therapy** Isabella M. Weber, 2021-05-26 China has become deeply integrated into the world economy Yet gradual marketization has facilitated the country's rise without leading to its wholesale assimilation to global neoliberalism This book uncovers the fierce contest about economic reforms that shaped China's path In the first post Mao decade China's reformers were sharply divided They agreed that China had to reform its economic system and move toward more marketization but struggled over how to go about it Should China destroy the core of the socialist system through shock therapy or should it

use the institutions of the planned economy as market creators With hindsight the historical record proves the high stakes behind the question China embarked on an economic expansion commonly described as unprecedented in scope and pace whereas Russia s economy collapsed under shock therapy Based on extensive research including interviews with key Chinese and international participants and World Bank officials as well as insights gleaned from unpublished documents the book charts the debate that ultimately enabled China to follow a path to gradual reindustrialization Beyond shedding light on the crossroads of the 1980s it reveals the intellectual foundations of state market relations in reform era China through a *longue dur e* lens Overall the book delivers an original perspective on China s economic model and its continuing contestations from within and from without

The Economic Development of China Ryoshin Minami,trans Wenran Jiang,2016-07-27 This book identifies that problems that China must face to develop its economy and elucidates the structural deficiencies which lay behind these problems Chinese economy compared with other economies in the world The book also analyzes China s present economic situation and where possible provides prescriptions for solving its problems by comparing it with the Japanese development experience

China's Economic Development Dennis Yang,2014-12-03 This collection of papers is from Palgrave s journal Comparative Economic Studies carefully selected by a team of expert editors this volumes collates the most sophisticated works to provide the readers with an essential guide to the economic development of China
