Religion in the Neoliberal Age François Gauthier, 2016-04-08 This book together with a complementary volume Religion in Consumer Society focuses on religion neoliberalism and consumer society offering an overview of an emerging field of research in the study of contemporary religion Claiming that we are entering a new phase of state religion relations the editors examine how this is historically anchored in modernity but affected by neoliberalization and globalization of society and social life Seemingly distant developments such as marketization and commoditization of religion as well as legalization and securitization of social conflicts are transforming historical expressions of religion and religiosity yet these changes are seldom if ever understood as forming a coherent structured and systemic ensemble Religion in the Neoliberal Age includes an extensive introduction framing the research area and linking it to existing scholarship before looking at four key issues 1 How changes in state structures have empowered new modes of religious activity in welfare production and the delivery of a range of state services 2 How are religion state relations transforming under the pressures of globalization and neoliberalism 3 How historical churches and their administrations are undergoing change due to structural changes in society and what new forms of religious body are emerging 4 How have law and security become new areas for solving religious conflicts Outlining changes in both the political institutional and cultural spheres the contributors offer an international overview of developments in different countries and state of the art representation of religion in the new global political economy

Asian Religions in British Columbia Larry DeVries, Don Baker, Dan Overmyer, 2011-01-01 British Columbia is Canada's most ethnically diverse province Although the presence of Asian religions is felt and discussed in many regions we know little

about the religions that accompanied immigrants from Asia or how they are practised today Asian Religions in British Columbia brings together fourteen religious studies scholars who offer intimate portraits of local religious groups including Hindus and Sikhs from South Asia Buddhist organizations from Southeast Asia and Tibetan Japanese and Chinese religions from East and Central Asia Although the geographical focus is particular the conceptual focus is broad the authors explore each religious tradition in the larger context of Canadian multiculturalism As the first comprehensive and comparative examination of Asian religions in British Columbia this book is mandatory reading for teachers policy makers scholars of British Columbia history and Asian Canadian studies or anyone who wants to be well informed about this province and nation

Handbook on Migration and the Family Johanna L. Waters, Brenda S.A. Yeoh, 2023-03-02 This Handbook is a timely and critical intervention into debates on changing family dynamics in the face of globalization population migration and uneven mobilities By capturing the diversity of family types arrangements and strategies across a global setting the volume highlights how migration is inextricably linked to complex familial relationships often in supportive and nurturing ways but also violent and oppressive at other times

Becoming British Columbia John Belshaw, 2009-07-01 *Becoming British Columbia* is the first comprehensive demographic history of British Columbia Investigating critical moments in the demographic record and linking demographic patterns to larger social and political questions it shows how biology politics and history conspired with sex death and migration to create a particular kind of society John Belshaw overturns the widespread tendency to associate population growth with progress He reveals that the province has a long tradition of thinking and acting vigorously in ways meant to control and shape biological communities of humans and suggests that imperialism race class and gender have historically situated population issues at the centre of public consciousness in British Columbia

A Kaleidoscope of Malaysian Indian Women's Lived Experiences Premalatha Karupiah, Jacqueline Liza Fernandez, 2022-10-22 This book presents a compilation of chapters relating to the socio cultural experiences of Malaysian Indian women It includes a historical background covering Indian women's migration to Malaya and explores the lived realities of contemporary Indian women who are members of this minority ethnic group in the country The authors cover a wide range of issues such as gender inequality poverty the involvement of women in performing arts work inter personal relationships and well being and happiness drawing on substantial empirical data through a gendered lens This book addresses the gap in the intersectional gender studies literature on minority groups of women in Malaysia while simultaneously highlighting the multiple forms of subordination minority women particularly Indian women experience in society including those that arise from gender ethnic intersectionality In examining the case of Indian women in Malaysia it also speaks to and enriches existing literature on the lives of minority groups of women in the Global South more broadly This anthology is beneficial to researchers and students in the social sciences particularly in disciplines related to gender studies and minority studies In addition it is also useful for policy makers and social activists working with minority women in

the Global South Sikhism Nikky-Guninder Kaur Singh,2011-02-22 Almost from the moment some five centuries ago that their religion was founded in the Punjab by Guru Nanak Sikhs have enjoyed a distinctive identity This sense of difference forged during Sikhism s fierce struggles with the Mughal Empire is still symbolised by the Five Ks panj kakar in Punjabi those articles of faith to which all baptised Sikhs subscribe uncut hair bound in a turban comb special undergarment iron bracelet and dagger or kirpan the unique marks of the Sikh military fraternity the word Sikh means disciple in Punjabi Yet for all its ongoing attachment to the religious symbols that have helped set it apart from neighbouring faiths in South Asia Sikhism amounts to far more than just signs or externals Now the world s fifth largest religion with a significant diaspora especially in Britain and North America this remarkable monotheistic tradition commands the allegiance of 25 million people and is a global phenomenon In her balanced appraisal Nikky Guninder Kaur Singh reviews the history theology and worship of a community poised between reconciling its hereditary creeds and certainties with the fast paced pressures of modernity She outlines and explains the core Sikh beliefs and explores the writings and teachings of the Ten Sikh Gurus in Sikhism s Holy Scriptures the Sri Guru Granth Sahib more usually called just the Granth Further chapters explore Sikh ethics art and architecture and matters of gender and the place of women in the tradition The book attractively combines the warm empathy of a Sikh with the objective insights and acute perspectives of a prominent scholar of religion **South Asian Diaspora, Transnationalism and Identity** Ajaya K. Sahoo,Brij Maharaj,2025-10-20 This book examines how members of the South Asian diaspora one of the world s largest diasporic communities forge complex hybrid identities at the intersection of homeland traditions and host society influences Against the backdrop of significant deterritorialization and cultural diversity it explores the nuanced ways multiple generations navigate between preserving heritage and adapting to new environments Through rich multidisciplinary perspectives the volume investigates The blending of traditional practices with new cultural elements The delicate balance between adaptation and heritage preservation The emergence of unique cultural spaces shaped by transnational connections Organized into two comprehensive sections identity formation and transnational practices this collection offers valuable insights into the lived experiences of South Asian communities worldwide and is essential reading for scholars and students in diaspora studies migration research transnationalism and South Asian cultural studies The chapters in this book were originally published in South Asian Diaspora **Annual Review of the Sociology of Religion. Volume 1 (2010)** Giuseppe Giordan,2010-10-01 The purpose of the Annual Review of the Sociology of Religion ARSR is to investigate the new role of religion in the contemporary world which is characterized by cultural pluralism and religious individualism It is the aim of the ARSR to combine different methods within the social scientific study of religion The ARSR employs an interdisciplinary and comparative approach at an international level to describe and interpret the complexity of religious phenomena within different geopolitical situations highlighting similarities and discontinuities Dealing with a single theme in each volume the ARSR intends to tackle the relationship between the practices and the dynamics of

everyday life and the different religions and spiritualities within the framework of the post secular society This volume presents the religious and spiritual life of the young an ever new and complex world which highlights the changes that are happening in the field of religion in general With an outlook which is opened to various international contexts its chapters offer a picture of the current situation between religion and the young suggesting possible future trends
