Man Who Owned Vermont 1st Edition:

History of Eastern Vermont, from Its Earliest Settlement to the Close of the Eighteenth Century. With a Biographical Chapter and Appendixes Benjamin Homer Hall,1858 **Irish in Ontario, 1st Edition** Donald Harman Akenson,1984-08-01 Hailed as one of the most important books on social sciences of the last fifty years by the Social Sciences Federation of Canada Akenson argues that despite the popular conception of the Irish as a city people those who settled in Ontario were primarily rural and small town dwellers Though it is often claimed that the experience of the Irish in their homeland precluded their successful settlement on the frontier in North America Akenson s research proves that the Irish migrants to Ontario not only chose to live chiefly in the hinterlands but that they did so with marked success Akenson also suggests that by using Ontario as an historical laboratory it is possible to make valid assessments of the real differences between Irish Protestants and Irish Catholics characteristics which he contends are much more precisely measurable in the neutral environment of central Canada than in the turbulent Irish homeland While Akenson is careful not to over generalize his findings he contends that the case of Ontario seriously calls into question conventional beliefs about the cultural limitations of the Irish Catholics not only in Canada but throughout North America The Country Gentleman, 1854 A journal for the farm the garden and the fireside devoted to improvement in agriculture horticulture and rural taste to elevation in mental moral and social character and the spread of useful knowledge and current news **The Publishers' Circular and Booksellers' Record**, 1925 **Catalog of Copyright Entries.
