Psycho-Cybernetics Maxwell Maltz,2015-11-03 Since its first publication in 1960 Maxwell Maltz s landmark bestseller

has inspired and enhanced the lives of more than 30 million readers In this updated edition with a new introduction and editorial commentary by Matt Furey president of the Psycho Cybernetics Foundation the original text has been annotated and amplified to make Maltz s message even more relevant for the contemporary reader Cybernetics loosely translated from the Greek a helmsman who steers his ship to port Psycho Cybernetics is a term coined by Dr Maxwell Maltz which means steering your mind to a productive useful goal so you can reach the greatest port in the world peace of mind Maltz was the first researcher and author to explain how the self image a term he popularized has complete control over an individual s ability to achieve or fail to achieve any goal And he developed techniques for improving and managing self image visualization mental rehearsal relaxation which have informed and inspired countless motivational gurus sports psychologists and self help practitioners for more than fifty years The teachings of Psycho Cybernetics are timeless because they are based on solid science and provide a prescription for thinking and acting that lead to quantifiable results Before the mind can work efficiently we must develop our perception of the outcomes we expect to reach Maxwell Maltz calls this Psycho Cybernetics when the mind has a defined target it can focus and direct and refocus and redirect until it reaches its intended goal Tony Robbins from Unlimited Power **Here Is a Man . . .** James Bvone Miller,2015-08-21 A book that honors faith family friends and relationships and especially the provident hand of God There is no room for ongoing crippling self pity There is no room for quitting because acquiring what one really wants often requires a man or woman with no quit in them Winning what one really wants requires a certain passion which includes first that sure knowledge of what one wants secondly a burning desire to achieve it and thirdly a definiteness of purpose Definiteness of purpose means it is not enough to merely know what you want you must know why you want it and how you are going to use it Mr Mathis advocates that in the Christian context one must be aware of just two primary concerns in regard to what one really wants First that what one wants is in Gods will and secondly that what one really wants comes from Gods well There are many things out there to want that dont come from Gods well and if it doesnt come from Gods well it is not in Gods will The final and one of the most important elements according to Mr Mathis is that once all the preceding tests are met and one is truly sure of what he or she wants with all their heart then one must become a part of what he or she really wants One must lose his or her self in the pursuit This is where creation and creator merge to become one This is where a great horseman and a great horse merge into one continuous flowing motion to reach one common goal This is the jockey Red Pollard and Seabiscuit merging and moving toward victory at Santa Anita Stakes the comeback of not one but two heroes who were injured and down but not defeated because their SPIRIT was stronger than any force of defeat This is the wounded healer and Christ merging for the common goal of building Gods glorious Kingdom This is what its all about in the Christian context In the most explicit Christian context it is one being baptized into Christ and fully submitting himself to Gods will and becoming one with Christ in the singleness of purpose of building Gods Eternal Kingdom That one is in Christ and Christ is in him moving in Gods will

toward the fulfillment of Gods will That one has acquired what he wants most of all because what he wants most of all and what God wants most of all are one and the same fully synonymous
