Pathways Through the Bible, 1949 Pathways Through the Bible Mortimer J. Cohen, 2002-02-01 JPS first published *Pathways Through the Bible* in 1946 selling over 250 000 copies It featured selections from the 1917 translation of the JPS Tanakh bridged by narrative summaries written by Rabbi Cohen Rabbi Stein replaced the 1917 JPS translation with the 1985 translation and has updated the prose and made the language gender sensitive This new edition shares the same essential features as the original especially the core principle that *Pathways Through the Bible* in Cohen s words is not intended to replace The Holy Scriptures it is rather to be regarded as preparatory to the reading of the Bible itself Its purpose is to open for you pathways into the magic realm of the greatest literature ever written 24 gold framed sepia illustrations *Pathways Through the Bible* Mortimer Joseph Cohen, 1956 **Pathways Through the Bible** Mortimer J. Stanley, 2006-09-10 Discover God s Blessings for Your Life Even more appealing than the charm of a trail through the forest the serenity of a stroll by a river or the inspiration of climbing a mountain path are the spiritual pathways to God s awesome presence *Pathways to His Presence* reveals Dr Charles Stanley s keen understanding of your deep longing for a clearer view of God s will for your life The spiritual guidelines of the Word explained in this devotional offer practical truth and inspiration for everyday living The daily readings reveal biblical solutions to the desires and fears of those who feel they are stumbling along faintly lit paths of life If you re longing for the blessings God promises to those who walk with Him *Pathways to His Presence* will lead you in the direction to capture them in your everyday life *Workbook to Pathways Through the Bible* Miriam Levitin, 1948 **Pathways to Heaven** Holger Jebens, 2006-09-01 How does global Christianity relate to processes of globalisation and modernization and what form does it take in different local settings

These questions have lately proved to be of increasing interest to many scholars in the social sciences and humanities. This study examines the tensions, antagonisms, and outright confrontations that can occur within local Christian communities upon the arrival of global versions of fundamentalism, and it does so through a rich and in-depth ethnographic study of a single case: that of Pairundu, a small and remote Papua New Guinean village whose population accepted Catholicism after first being contacted in the late 1950s and subsequently participated in a charismatic movement. Before more and more members of the younger generation started to separate themselves from their respective Catholic families and to convert to one of the most radical and fastest growing religious groups not only in contemporary Papua New Guinea but world-wide, the Seventh Day Adventist Church. This case study of local Christianity as a lived religion contributes to an understanding of the social and cultural dynamics that increasingly incite and shape religious conflicts on a global scale.

Seven Pathways
Mary Carmen Englert, 2023-08-01

Seven Pathways creates discipline and daily habits for spending meaningful time with God and builds peaceful margin in your day so that you are refreshed and equipped to handle life's difficulties. Do you long for the presence of God? Many people desire a deeper relationship with God but have no idea how to find it. The Bible seems overwhelming. Prayers seem unanswered. The bewildering landscape of podcasts, Bible studies, and sermons only adds to the confusion. Even long-term Christians often struggle to know God intimately and feel his presence. You are not alone. In *Seven Pathways*, Mary Carmen Englert guides you through the simple spiritual practices that lead to a deeper relationship with the Creator. When a freak accident plunged Mary Carmen into a life of chronic pain, which now appears to be from a rare cancerous tumor (acinar cell cancer) that was found during the editing of this book, she struggled to carry on a relationship with God. Yet day by day she pursued him through the practice of gratitude. From there God drew her closer through prayer, reading Scripture, song, and other simple spiritual disciplines. As her body struggles to recover, her spirit is strengthened to endure this journey and enjoy a renewed relationship with God. *Seven Pathways* is a spiritual journey you can take starting right where you are to know God better and more fully than ever before. You will experience the exceeding benefits of practicing gratitude regardless of your circumstance. Begin to hear the voice of God speaking to you through Scripture. Find your voice in speaking your heart to God in prayer and discover a practical weekly prayer plan. Refresh and realign your thoughts through soul-enriching music before a noisy crowd of stressors invade. Gain basic insights for digging deeper into Bible study and acquire confidence that the Bible is a trusted source about God. Rediscover the lost art of Christian meditation and its power to release greater peace and wisdom by meditating on God's Word. These historical Christian practices are integrated into a simple creative daily discipline to help you experience the presence of God in your everyday life. Join me and get in stride with God's voice through creating a regular rhythm in spending time with him through the *Seven Pathways* journey.

Pathways to Peacebuilding
Uchenna D. Anyanwu, 2022-11-30

Given the consistent challenge of Islamist acute violence, particularly in Nigeria, this monograph

attempts to respond to the question How can Jesus s followers pattern response to violence after Jesus s model demonstrated in his triumph over death evil sin and violence through staurocentric pathways And how can Jesus s followers in Nigeria adopt the same staurocentric model in order to not only overcome acute violence within the country but also to extend hands heads hearts and homes of staurocentric forgiveness hospitality and other practices toward Muslims In this study I posit that peacebuilding contextual theology be grounded on the mystery of the cross stauros a theologico theoretical framework that the church in Nigeria should espouse in order to position herself to extend hands heads hearts and homes of staurocentric practices whose appropriation must be undertaken through constructive and critical integration of the God given African peacebuilding concepts autochthonous to Africa s mosaic cultural contexts The pivotal thesis is that the staurocentric model remains the triune God s instrument for triumphing over violence and thus should be espoused by Jesus s followers in every era and context for peacebuilding in contexts of violence through a triadic constructive and critical integration of indigenous peacebuilding concepts
