Regulation Of Us Equity Markets:

Regulation of U.S. Equity Markets Robert A. Schwartz, 2012-12-06 In the past quarter of a century the pace of structural change in the equity markets has accelerated dramatically and as it has regulation has come to play an increasingly central role in the development of market structure The purpose of Regulation of U S Equity Markets is to consider regulation s contribution to the efficiency of the U S equity markets Sharply different opinions are expressed on the matter as the discussion ranges from Congressional oversight to SEC involvement in market structure issues to the self regulatory responsibilities of the market centers most notably the New York Stock Exchange and the Nasdaq Stock Market

Recent Developments in U.S. Financial Markets and Regulatory Responses to Them United States. Congress. Senate. Committee on Banking, Housing, and Urban Affairs, 2010 *US Financial Regulation and the Level Playing Field* H. Garten, 2001-01-19 What will deregulation and globalization of financial markets mean for the future of US financial regulation This book argues that the uniqueness of US regulation derives from its success in promoting four principles of competitive fairness that US players demand from financial markets The peculiar US notion of a level playing field provides a novel approach to understanding the evolution of US regulation including recent reform and to predicting US attitudes toward questions of global financial market supervision **Banking Regulation of UK and US Financial Markets** Dr Dalvinder Singh, 2012-10-01 Dalvinder Singh provides an interdisciplinary analysis of the legal aspects of prudential supervision This gives the reader a broader understanding of the core processes of banking supervision By using the UK as a case study a comparison is made with the US to illustrate the different ways of approaching the issues The author examines the legal as well as the theoretical economic political and policy issues that underpin the purpose of prudential supervision such as corporate governance enforcement sanctions the role of external auditors and accountability of financial regulators These are considered in the context of broad policy considerations which render prudential supervision necessary namely financial stability and depositor protection The book will be of interest to academics policymakers regulators and practitioners and equally will serve specialist undergraduate and postgraduate programmes in law management and economics which focus on financial regulation *A Review of Self-regulatory Organizations in the Securities Markets* United States. Congress. Senate.
