Experience inner spiritual growth by shifting your energy toward simple pleasures and connecting with the frequency of people, places, animals and situations. This inspiring guide covers a wide variety of topics including mindfulness, simplicity, being in nature, the home environment and relationship connections will help you embrace a cozy and balanced lifestyle for more happiness, contentment and satisfaction within your spiritual self so you can transform your life.

The Little Book of Spiritual Growth Peter Santos, 2016-08-01 For the novice or expert, this short primer clarifies the basic terms and concepts that are essential to understanding what spiritual growth is and how to go about maximizing it on a daily basis. With clear and concise descriptions of energy, God, Spirit, soul, ego and how they all interact, the book provides a base of comprehension from which to better understand and learn from our circumstances and environment so we can choose more wisely going forward and move past old energies that inhibit our progress. To understand some of these concepts mentally is one thing; to feel, accept and take action to grow from them is another. Having a knowledge of these fundamentals combined with practicing the tips and techniques contained herein will help in realizing the spiritual transformation we seek.
