Landon, 2014-03 This Is A New Release Of The Original 1915 Edition     **Reincarnation in America** Lee Irwin, 2017-07-31 Reincarnation in America An Esoteric History surveys the complex history of reincarnation theories across multiple fields of discourse in a pre American context ranging from early Greek traditions to Medieval Christian theories Renaissance esotericism and European Kabbalah all of which had adherents that brought those theories to America Rebirth theories are shown in all these groups to be highly complex and often disjunctive with mainstream religions even though members of conventional religions frequently affirm the possibility of rebirth As a history of an idea reincarnation theory is a current vital belief pattern that cuts across a wide spectrum of social cultural and scientific domains in a long complex history not reducible to any specific religious or theoretical explanation This book is cross disciplinary and multicultural linking religious studies perspectives with science based research it draws upon many distinct disciplines and avoids reduction of reincarnation to any specific theory The underlying thesis is to demonstrate the complexity of reincarnation theories what is unique is the historical overview and the gradual shift away from religious theories of rebirth to new theories that are therapeutic and trans traditional     **American Illustrated Magazine** ,1915

The American Club Woman Magazine ,1914     **Reincarnation in the Twentieth Century** Martin Ebon, 1969 Reincarnation say the word and believers and non believers spring into debate The facts remain people alive today know they are souls reborn and the evidence they present is so strong that Martin Ebon a leading psychic researcher feels it must be further explored and evaluated In Reincarnation in the Twentieth Century he has gathered analyses from eminent authorities and reports from all over the world into the most substantial and comprehensive overview of this explosive subject ever published From Dr Ian Stevenson former head of the Department of Psychiatry and Neurology at the University of Virginia comes a study of Indians in Alaska There Dr Stevenson the world s leading authority on reincarnation found five pregnant women who had received dream messages from departed relatives saying they would be reborn as their babies The babies indeed resembled the dead relatives Professor C J Ducasse summarizes the controversial Bridey Murphy case Have the debunkers successfully refuted the rebirth of the Irish girl as a twentieth century American The Brown University Professor Emeritus says that they have not and in a detail by detail re examination reveals much to support reincarnation Allen Spraggett successful Canadian newsman and author adds more evidence to the case of Joanne MacIver the famed Girl with the Blue Eyes Jess Stern Violet M Shelley contributes a case from the files of Edgar Cayce the sleeping prophet based on reincarnation information and an interview with the English author Joan Grant whose book The Winged Pharaoh revealed a precise knowledge of ancient Egypt obtainable only by one who had been there describes her recall of thirty one previous lives Are these proof of reincarnation Philosophers suggest that if there is an after life logic indicates that there must be a before life In many religions reincarnation is a basic tenet Psychiatrist Denys Kelsey theorizes that the psyche enters the
