**JOHN BEVERE** International bestselling author *The Bait of Satan* Co-Founder Messenger International On my most recent visit one of my band was so wowed by the environment of the visual video tech room where he saw not just one operator at each station but three. This was so impressive there was one operator, one trainer and one trainee. These were people in their mid to high teens, some as young as 12 or 13. Considering the amount of responsibility a video visual team carries in a large service and how much specialised technical skill there is to learn, he was amazed. There was a beautiful trust being placed in these young people and ultimately it's the Jesus model of discipleship.

*Becoming Conversant with the Emerging Church* D. A. Carson, 2009-05-26 A careful and informed assessment of the emerging church by a respected author and scholar. The emerging church movement has generated a lot of excitement and exerts an astonishingly broad influence. Is it the wave of the future or a passing fancy? Who are the leaders and what are they saying? The time has come for a mature assessment. D. A. Carson not only gives those who may be unfamiliar with it a perceptive introduction to the emerging church movement but also includes a skillful assessment of its theological views. Carson addresses some troubling weaknesses of the movement frankly and thoughtfully while at the same time recognizing that it has important things to say to the rest of Christianity. The author strives to provide a perspective that is both honest and fair. Anyone interested in the future of the church in a rapidly changing world will find this an informative and stimulating read.
