**Mary, Michael, and Lucifer** John M. Ingham, 2010-07-22 The physical signs of Roman Catholicism pervade the Mexican countryside Colonial churches and neighborhood chapels wayside shrines and mountaintop crosses dot the landscape Catholicism also permeates the traditional cultures of rural communities although this ideational influence is less immediately obvious It is often couched in enigmatic idiom and imagery and it is further obscured by the vestiges of pagan customs and the anticlerical attitudes of many villagers These heterodox tendencies have even led some observers to conclude that Catholicism in rural Mexico is little more than a thin veneer on indigenous practice In Mary Michael and Lucifer John M Ingham attempts to develop a modern semiotic and structuralist interpretation of traditional Mexican culture an interpretation that accounts for the culture s apparent heterodoxy Drawing on field research in Tlayacapan Morelos a village in the central highlands he shows that nearly every domain of folk culture is informed with religious meaning More precisely the Catholic categories of spirit nature and evil compose the basic framework of the villagers social relations and subjective experiences

*Repositioning North American Migration History* Marc S. Rodriguez, 2004 An in depth look at trends in North American internal migration This volume gathers established and new scholars working on North American immigration transmigration internal migration and citizenship whose work analyzes the development of migrant and state level institutions as well as migrant networks With contemporary migration research most often focused on the development

of transnational communities and the ways international migrants maintain relationships with their sending region that sustain the circular flow of people ideas and traditions across national boundaries it is useful to compare these to similar patterns evident within the terrain of internal migration To date however international and internal migration studies have unfolded in relative isolation from one another with each operating within these distinct fields of expertise rather than across them Although there has been some important linking there has not been a recent major consideration of human migration that works across and within the various borders of the North American continent Thus the volume presents a variety of chapters that seek to consider human migration in comparative perspective across the internal international divide Marc S Rodriguez is Assistant Professor of History at Princeton University Donna R Gabbaccia is the Mellon Professor of History at the University of Pittsburgh James R Grossman is the Vice President of Research and Education at the Newberry Library Chicago Contributors Josef Barton Wallace Best Donna Gabbaccia James Gregory Tobias Higbie Mae Ngai Walter Nugent Annelise Orleck Kunal Parker Kimberly Phillips Bruno Ramirez Marc Rodriguez *Repositioning North American Migration History* is a volume in Studies in Comparative History sponsored by Princeton University's Shelby Cullom Davis Center for Historical Studies

**House Life** Donna Birdwell-Pheasant, Denise Lawrence-Züniga, 2020-06-04 This book which fills a gap on the materiality of lived relations examines households within the context of their immediate physical surroundings of home and shows how human interactions are reflected in built forms Houses are dynamic participants in family life in many ways They often pre date the origins and outlast the life spans of their inhabitants but they can exert a powerful influence on the organization of behaviors and the values of family members as well as on the forms and flows of family life across the generations Constituting wealth investment security and inheritance they are an objective in and of themselves in many domestic strategies Drawing on developments within anthropology archaeology architecture and social history the authors demonstrate through detailed case studies how household or family relations can usefully be mined to re situate social theory in both space and time Space boundaries family cycles historic changes migration patterns ethnicity memory and gender are all interrogated for the light they shed on how people interact with the physical world around them and what this means culturally and symbolically Europe is an especially rich focus for this kind of analysis because it is distinguished by its long well documented history and a recent period of intense change

**Sports Culture in Latin American History** David M. K. Sheinin, 2015-05-01 Perhaps no other activity is more synonymous with passion identity bodily ideals and the power of place than sport As the essays in this volume show the function of sport as a historical and cultural marker is particularly relevant in Latin America From the late nineteenth century to the present the contributors reveal how sport opens a wide window into local regional and national histories The essays examine the role of sport as a political vehicle in claims to citizenship as a source of community and ethnic pride as a symbol of masculinity or feminism as allegorical performance and in many other purposes *Sports Culture in Latin American History* juxtaposes analyses of better known activities such as boxing and soccer

with first peoples athletics in Argentina Cholita wrestling in Bolivia the African influenced martial art of capoeira Japanese Brazilian gateball the Art Deco body ideal for postrevolutionary Mexican women Jewish soccer fans in Argentina and transgressive behavior at matches and other topics The contributors view the local origins and adaptations of these athletic activities and their significance as insightful narrators of history and culture **Ibss: Anthropology: 1978** International Committee for Social Science Information and Documentation,1990-12-31 First published in 1981 Routledge is an imprint of Taylor Francis an informa company **Problems of a Sociology of Knowledge (Routledge Revivals)** Max Scheler,2012-11-12 First Published in 1980 Manfred S Frings translation of Problems of a Sociology of Knowledge makes available Max Scheler s important work in sociological theory to the English speaking world The book presents the thinker s views on man s condition in the twentieth century and places it in a broader context of human history This book highlights Scheler as a visionary thinker of great intellectual strength who defied the pessimism that many of his peers could not avoid He comments on the isolated fragmented nature of man s existence in society in the twentieth century but suggests that a World Age of Adjustment is on the brink of existence Scheler argues that the approaching era is a time for the disjointed society of the twentieth century to heal its fractures and a time for different forms of human knowledge to come together in global understanding **Handbook of Latin American Studies** ,1977 Contains records describing books book chapters articles and conference papers published in the field of Latin American studies Coverage includes relevant books as well as over 800 social science and 550 humanities journals and volumes of conference proceedings Most records include abstracts with evaluations *The New Criminology* Ian Taylor,Ian Taylor, M.B,Paul Walton,Jock Young,2002-11 A major contribution to criminology in which Taylor Walton and Young provide a framework for a fully social theory of crime *Households* Robert McC. Netting,Eric J. Arnould,Richard R. Wilk,2023-11-15 This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1984 *A Community of Scholars* Institute for Advanced Study (Princeton, N.J.),1980 **Social Relations and Innovation** David J. Hall,1977 **Panama at the Crossroads** Andrew Zimbalist,John Weeks,2022-07-15 In December 1989 the United States invaded Panama deposed its government and established another in its place While this act of violent intervention brought Panama to public attention the justifications for it obscured the underlying instabilities that have plagued the country throughout its history Although a stated purpose of the invasion was to remove one man Manuel Noriega from power Panama at the Crossroads demonstrates that the crisis sweeping Panama in the late 1980s was not caused by one man but in fact derived from the history of U S domination and the nature of Panamanian society itself Panama is located at a crucial geographic crossroads a fact that has greatly influenced the country s history since the sixteenth century Labor scarcity and inhospitable

terrain joined with its location contributed to the mercantile orientation of Panama's economy. Accordingly, the country's politics and economics have been consistently dominated by foreign trading interests: first from Spain, then Colombia, and the United States. Now, in the 1990s, Panama stands at a historical and economic crossroads, and according to Zimbalist and Weeks, its traditional entrepreneurial institutions are no longer able to promote and sustain growth. Before building the basis for long-term economic expansion, Panama must first undo the devastating economic and political damage engendered by nearly three years of U.S. economic sanctions and the U.S. invasion. In this timely book, Zimbalist and Weeks document the origins and characteristics of this crossroads. Their analysis points the way to a more encompassing and equitable strategy for Panama's economic development. This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1991.
