Relics Spawn Shadows:

Renegades Shaun Hutson, 2014-04-01 Modern terrorism meets medieval madness in jaw dropping horror that will make the living envy the dead As a member of the Counter Terrorist Unit Sean Doyle thought he'd seen it all every violent act every depraved action man could perpetrate against man but he is to discover that there are much worse things in this world than even he has encountered Tracking a group of renegade terrorists from London to the Republic of Ireland to discover who is funding them and why what he discovers threatens not only his life but his sanity too The trail of terror leads not just across Britain but to France as well where the monstrous deeds of a murderer who died 400 years earlier still cast a dark and horrific shadow In the grisly frames of a stained glass window taken from the home of this vile killer lay the secret sought by so many for so long the secret of immortality One man will stop at nothing to get it and Sean Doyle is about to meet that man

to discover the hidden memories However he will discover things about himself he did not dare imagine Things he really didn't want to know And he will also discover that not everyone is what they appear to be Those revelations will expose a darkness and horror that no one should have to confront Sometimes a lie is preferable Some truth is best left undiscovered **The**
