Activating the Power of the Cross Tony Evans, 2012-12-19 You've got to activate the power to experience the power What would happen if our phones and computers ran out of power and couldn't be recharged They would still have everything necessary to provide us with what we use them for but without power they'd be useless There is something more powerful than the technology we use each day And it has an even greater capacity to positively impact and enrich our lives in every way Yet it is an untapped frequently inactivated resource That something is the cross In this book Dr Tony Evans will help you understand how to activate the power of the cross gaining access to all of the benefits blessings and power contained within it and through it so that you can live the empowered and victorious life God intended Understanding the Cross,

M. Hodgkin, 1922 *The Faith, the Cross, the Gospel, and the Worship of God* Arvil Jones, 2008-06 This book is different from most other books of the same genre It simply takes another approach at expounding upon these great Biblical themes The author has taken the letters of each theme and has built a chapter or chapters upon each letter The author simply believes that there is something else to be said than what has been said so far about The Christian Faith the faith which was once delivered unto the saints May God bless each reader who reads these few pages Dr Jones was born in the small Southeastern Kentucky community of Girdler He is the youngest of fourteen children seven boys and seven girls He and his wife Carolyn now reside in Hamilton OH Dr Jones has earned a Masters degree in Theology and a Doctorate in Religion having held five pastorates in over thirty years of ministry This present work is his fourth book *The Kingdom of God and the Glory of the Cross* Patrick Schreiner, 2018-03-15 The kingdom of heaven is like a grain of mustard seed that a man took and sowed in his field It is the smallest of all seeds but

when it has grown it is larger than all the garden plants and becomes a tree so that the birds of the air come and make nests in its branches Matthew 13 31 32 When Jesus began his ministry he announced that the kingdom of God was at hand But many modern day Christians don't really understand what the kingdom of God is or how it relates to the message of the gospel Defining kingdom as the King's power over the King's people in the King's place Patrick Schreiner investigates the key events prophecies and passages of Scripture that highlight the important theme of kingdom across the storyline of the Bible helping readers see how the mission of Jesus and the coming of the kingdom fit together Part of the Short Studies in Biblical Theology series Mark: Jimmy Swaggart Bible Commentary Jimmy Swaggart, 2006 MARK BIBLE COMMENTARY After nearly 40 years of full time ministry Brother Swaggart published his first commentary on the book of Genesis that was later described as the most helpful Bible commentary ever published It would take nearly 20 years to complete the entire commentary series from Genesis to Revelation True to Pentecostal theology the Jimmy Swaggart Commentary collection leads its readers chapter by chapter to a better understanding of the Bible Rather than providing notes on every Bible verse these commentaries focus on the salient verses of each chapter to offer the reader a condensed synopsis of what the Holy Spirit intended Where most relevant cultural and historical references are also included along with explanations of the allegories types and symbolisms used in the Bible to add depth and dimension for students of the Holy Scriptures Yet what seems to separate this work from all other commentaries are the biblical applications made to present day circumstances facing every believer Printed on high quality paper and bound with a beautiful hardback cover this unique reference will be cherished by anyone who loves to study the Word of God *Walk of Faith* Clayborn Jones, 2023-01-25 The Walk of Faith workbook is an intrusive and intense twelve step process It requires the user to question their faith and religious practice The user must examine and challenge their beliefs in order to complete the work This is between the user and God We must learn to wrestle with God one on one in private The end result is a true walk of faith Afterward we will be able to say Did not our hearts burn within as we walked with Him along the way **Purposes of the Cross** Dr. Apostle Emmanuel Adebisi, 2013-03-29 As the guests at the marriage feast at Canaan desired and preferred the new wine provided by Christ to the old they were served at first so a genuine and converted believer desires the new life above the old having compared the easy yoke and the light burden of his Saviour in comparison to the hard yoke and grievous burden of sin the world and the Devil he were under in times past The new life must never be lived out in an old fashion or mentality perception and practices or else we are saved but not delivered from sin which is more or else like we are not saved at all I will give them a new heart says the Lord The new heart is for a new life therefore if any man be in Christ he is a new creature old things are passed away behold all things are become new 2 Cor 5 17 *NLT Large Print Premium Value Thinline Bible, Filament-Enabled Edition (Leatherlike, Black Cross)* Tyndale, 2024-07-09 Your Reimagined Bible Experience The NLT Large Print Premium Value Thinline Bible Filament Enabled Edition has a comfortably readable text an attractive layout and an
