Introduction to the Study of the Holy Scriptures by H. M. Harman
George Richard Crooks, 1878 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1878 edition Excerpt a genuine work of Daniel they would have immediately inserted it with the other prophets as belonging to them if they regarded Daniel as a real prophet But if Daniel was not regarded by the arrangers of the canon in the time of Nehemiah as a prophet in the sense in which they held the prophets Jeremiah and Ezekiel they would probably have put it into the Hagiographa though acknowledging the book to be genuine But if Daniel had been written in the time of Antiochus Epiphanes it could not have been admitted into the Hagiographa for that division was already closed
