Investigations Into the Phenomenology and the Ontology of the Work of Art Peer F. Bundgaard, Frederik Stjernfelt, 2015-06-22 This book investigates the nature of aesthetic experience and aesthetic objects Written by leading philosophers psychologists literary scholars and semioticians the book addresses two intertwined issues The first is related to the phenomenology of aesthetic experience The understanding of how human beings respond to artworks how we process linguistic or visual information and what properties in artworks trigger aesthetic experiences The examination of the properties of aesthetic experience reveals essential aspects of our perceptual cognitive and semiotic capacities The second issue studied in this volume is related to the ontology of the work of art Written or visual artworks are a specific type of objects containing particular kinds of representation which elicit a particular kind of experience The research question explored is What properties in artful objects trigger this type of experience and what characterizes representation in written and visual artworks The volume sets the scene for state of the art inquiries in the intersection between the psychology and ontology of art The investigations of the relation between the properties of artworks and the characteristics of aesthetic experience increase our insight into what art is In addition they shed light on essential properties of human meaning making

in general The Materials and Methods of Sculpture Jack C. Rich, 1988-01-01 Promises to become a standard reference book The Art Digest Exhaustive profusely illustrated guide to all of the technical aspects of sculpting in stone metal wood and other materials The author expertly covers casting surface treatment exotic materials such as amber coal and even butter Much more 281 illustrations *A History of Sculpture* Ernest Henry Short, 1907 *The Nelson-Atkins Museum of Art* Kristie C. Wolferman, 2020-01-28 When Kansas City's Nelson Atkins Museum of Art opened to the public in 1933 it was viewed as a miracle an oasis of culture in a Midwestern town whose image was still largely one of cowboys and steaks In an engaging style Kristie Wolferman tells the history of the Nelson Atkins from its founding to the present day a fascinating combination of people events and circumstances that culminated in an art museum that now holds its own among the finest in the world Wolferman begins by relaying how the trustees of the estates of the reclusive widow Mary Atkins and the family of Kansas City Star newspaper editor William Rockhill Nelson joined forces to establish a museum from scratch then goes on to consider all of the highly talented people who directed and staffed the Nelson Atkins along the way their efforts resulting in many bold innovations among them new collections grounds and educational programs and offerings With 100 color and black and white photographs this book will be treasured by all who love and admire this remarkable institution one that attracts half a million visitors from across the city state nation and world each year This is a co publication of the University of Missouri Press and the Nelson Atkins Museum of Art **American Sculpture in the Metropolitan Museum of Art: A catalogue of works by artists born before 1865** Metropolitan Museum of Art (New York, N.Y.), Lauretta Dimmick, Donna J.
