Sea Power A Global Journey:

Sea Power, 1993 More than a hundred of Cuyvers's own photographs some displayed in a double page format add an immediacy to the eloquence of his prose Through his lens the romance and vibrancy of life at sea are captured in evocative yet crisp imagery *The Wager* David Grann, 2025-02-25 A TOUR DE FORCE OF NARRATIVE NONFICTION WSJ WITH OVER ONE YEAR ON THE NYT BEST SELLER LIST From the author of *Killers of the Flower Moon* a page turning story of shipwreck survival and savagery culminating in a court martial that reveals a shocking truth The powerful narrative reveals the deeper meaning of the events on *The Wager* showing that it was not only the captain and crew who ended up on trial but the very idea of empire A Best Book of the Year The New York Times The Wall Street Journal The New Yorker TIME Smithsonian NPR Vulture Riveting Reads like a thriller tackling a multilayered history and imperialism with gusto Time On January 28 1742 a ramshackle vessel of patched together wood and cloth washed up on the coast of Brazil Inside were thirty emaciated men barely alive and they had an extraordinary tale to tell They were survivors of His Majesty's Ship the *Wager* a British vessel that had left England in 1740 on a secret mission during an imperial war with Spain While the *Wager* had been chasing a Spanish treasure filled galleon known as the prize of all the oceans it had wrecked on a desolate island off the coast of Patagonia The men after being marooned for months and facing starvation built the flimsy craft and sailed for more than a hundred days traversing nearly 3 000 miles of storm wracked seas They were greeted as heroes But then six months later another even more decrepit craft landed on the coast of Chile This boat contained just three castaways and they told a very different story The thirty sailors who landed in Brazil were not heroes they were mutineers The first group responded with countercharges of their own of a tyrannical and murderous senior officer and his henchmen It became clear that while stranded on the island the crew had fallen into anarchy with warring factions fighting for dominion over the barren wilderness As accusations of treachery and murder flew the Admiralty convened a court martial to determine who was telling the truth The stakes were life and death for whomever the court found guilty could hang *The Wager* is a grand tale of human behavior at the extremes told by one of our greatest nonfiction writers Grann's recreation of the hidden world on a British warship rivals the work of Patrick O'Brian his portrayal of the castaways' desperate straits stands up to the classics of survival writing such as *The Endurance* and his account of the court martial has the savvy of a Scott Turow thriller As always with Grann's work the incredible twists of the narrative hold the reader spellbound *World Music: A Global Journey* Terry E. Miller, Andrew Shahriari, 2016-12-19 *World Music: A Global Journey* Fourth Edition takes students around the world to experience the diversity of musical expression and cultural traditions It is known for its breadth in surveying the world's major cultures in a systematic study of world music within a strong pedagogical framework As one would prepare for any journey each chapter starts with background preparation reviewing the historical cultural and musical overview of the region Visits to multiple sites within a region provide in depth studies of varied musical traditions Music analysis begins with an
