Johnstone, 2017-01-06 About a year ago I came to the conclusion that none of my children or grandchildren knew much about my life and what I had done with it so I decided to write an autobiography of my life from 1938 when I was born until 1975 when I retired from the navy I didnt know anything about writing a book and still dont but I have always had the knack of making my brain remember things that happened long ago I have probably violated every rule of good book writing known to man But I will chock it up to inexperience also I wanted to write it as though I was talking to you face to face I took the name of my book from the slang words used by sailors to describe the stories told among each other for some two hundred years I tried very hard to not bring dishonor to the navy my family or myself *Sea Story* Ron Dull, 2009 Has anyone ever asked you to live in their world Has anyone ever demanded that you live

in theirs and lose yourself in the process With his own aging reality steadily turning white and sterile around him an elderly sea captain who is confined to a dreary nursing home intimidates a young Jamaican artist into bringing color back into his life They've made me blind and left me one small window he confides to the girl They've put me into this clean white cell and are tryin' to suck the life out of me Thundering his defiance he declares But I used to be somebody And I ain't a sailin' away all that easy for nobody Paint me room he orders So begins the story of the final days of Captain Walter B Roberts who navigates a thin line on a course set between the facts and fiction of his adventurous life at sea Using colorful examples from a very questionable past he belligerently berates all around him Can you see the world from where you be sittin' now Well stand up Don't be a coward Be something or somebody and be it well You've got to live life the best way that you can with no regrets Fine but what if you think you're a three hundred year old pirate Or is that just plain crazy About the Author Other books by Ron Dull include *Mount Bellew and Go With* [Fairy Tales and Sea Stories](#) Giovanni Andreazzi,2006-12-01 Have you ever been curious about life on a submarine other than the movie versions Journey with the author on the missile carrying submarine USS Sam Houston meet a few of the characters who defended our country during the cold war and learn how they lived A little romance between a sailor and a nurse is thrown in just to enhance the time travel story where the truth about the bombing of Hiroshima is told So kick back relax and open the pages to enjoy this collection of short stories you will never forget or may want to as soon as you finish **Sea stories** Sea stories,1858 *Sea Stories* Tom McCarthy,2021-10-21 Sea stories are plainly and simply wonderful springboards for vicarious adventure There is nothing like a sea story to entertain thrill move shock or inspire a reader and this collection will do just that What is it about the sea that lends itself to so many indelibly classic stories The sea is a wonderful stage on which to unroll a dramatic narrative or introduce a heroic character It's no wonder so many masterpieces are set on the seas of the world From sublime moments gunkholing with Erskine Childers in *An Introduction to Informality* to sheer terror with the ill fated men among sharks in Raymond B Lech's *The Loss of the Indianapolis* to astounding respect for the endurance of Ernest Shackleton and his storm tossed men in *Escape from the Ice* there is simply nothing that can compare to what awaits in this collection of twenty eight thrilling stories Many having withstood the test of time and the vagaries of popular culture are classics Classic or not the stories in this collection are good reading breathtaking entertaining and offering myriad unexpected pleasures [Bold Sea Stories](#) Marlin Bree,2020-03-13 Who doesn't love a good sea story Award winning newspaperman Marlin Bree crafts his true tales about the legends and the lore of the world's wickedest waters from the North Atlantic to the South Pacific as well as upon and in the dark depths of the world's biggest inland ocean Lake Superior Here are 21 rousing stories of notorious storms shipwrecks and courageous crews fighting incredible challenges and usually winning This is nonfiction at its award winning best full bodied tales crafted with a quick pace a bold narrative and an inspiring conclusion as well as now and then no dry eyes All stories are true with real people real boats real events They resonate in your heart **Sea Stories** Bob Stockton,2018-05-17

The Archeologist and Selected Sea Stories Andreas Karkavitsas, 2021-12-14 Translated into English for the first time *The Archeologist* is a landmark of Greek national literature and an important document in the history of archeology and classicism Published for the bicentennial year of the outbreak of the Greek War of Independence A Penguin Classic The year 2021 marks the bicentennial of the outbreak of the Greek War of Independence This historical milestone provides the impetus for a new period of intensified reflection on the past present and future of Greece especially in light of recent financial and humanitarian challenges the country has found itself facing the debt crisis that began in the last days of 2009 and the migration crisis five years later These crises had already stirred renewed and often animated debate about Greek national identity especially in relation to Europe and the legacy of classical antiquity remains central to how that relationship is imagined Where does Greece fit into the modern world and what role if any should its celebrated and idealized antiquity play in the country's national identity More than a century ago Karkavitsas's *The Archeologist* 1904 helped to articulate and frame these kinds of questions The work is an allegory of Greek nationalism that is stylized as a folktale about Aristodemus and Dimitrakis Eumorphopoulos two brothers and descendants of the illustrious Eumorphopoulos line For centuries the family had been persecuted by the Khan family but when the Khan dynasty starts to topple the Eumorphopoulos family resolves to regain their ancestral lands and restore their line's ancient glory Yet the two brothers disagree about the best path forward into the future Aristodemus insists to the point of mania that they must look only to the ancient past to the family's ancient language texts religion and monuments Dimitrakis on the other hand exuberantly embraces the present *The Archeologist* however attempts to map and dramatize the tensions that were violently brewing in the Balkans at the turn of the twentieth century and which within a decade of the work's publication would contribute to the outbreak of World War I Also included in this edition are a selection of sea tales which Karkavitsas heard from sailors during his extensive time aboard ships in the Mediterranean Considered as indigenous to Greek literature the four sea stories represent some of the best known of the Tales from the Prow The Gorgon one of Karkavitsas's shortest sea stories is also one of the most famous
