Sean Ocasey A Bibliography:

Sean O'Casey: A Bibliography of Criticism E.H. Mikhail,1972-06-18 **Sean O'Casey** R. Ayling,M.J. Durkan,1978-06-17 **Sean O'Casey: a Bibliography of Criticism** E. H. Mikhail,1972 **Sean O'Casey** R. Ayling,M.J. Durkan,1978-01-01 *Sean O'Casey* Ronald Ayling,Michael J. Durkan,1978 **Sean O'Casey: a Check List for a Bibliography** Michael J. Durkan, **Sean O'Casey** Christopher Murray,2004-11-08 Se O Casey was the quintessential Dublin playwright In critical works that include his Dublin Trilogy The Shadow of a Gunman Juno and the Paycock and The Plough and the Stars he portrayed the traumatic birth of a nation and delved into the Irish national character Christopher Murray s Se O Casey Writer at Work takes a fresh look at the last of the great writers of the Irish literary revival **Seven Plays By Sean O'casey** Sean O'Casey,Ronald Ayling,1985-10-14 This edition of Sean O Casey s major plays is designed specifically for students and teachers The plays are supported by a full introduction covering O Casey s career and critical responses to the plays full notes and a bibliography Essays on Sean O'Casey's Autobiographies Robert G. Lowery,1981-06-18 **The Theatre of Sean O'Casey** James Moran,2013-09-26 This Critical Companion to the work of one of Ireland s most famous and controversial playwrights Sean O Casey is the first major study of the playwright s work to consider his oeuvre and the archival material that has appeared during the last decade Published ahead of the centenary of the 1916 Easter Rising in Ireland with which O Casey s most famous plays are associated it provides a clear and detailed study of the work in context and performance James Moran shows that O Casey not only remains the most performed playwright at Ireland s national theatre but that the playwright was also one of the most controversial and divisive literary figures whose work caused riots and who alienated many of his supporters Since the start of the Troubles in the North of Ireland his work has been associated with Irish historical revisionism and has become the subject of debate about Irish nationalism and revolutionary history Moran s admirably clear study considers the writer s plays autobiographical writings and essays paying special attention to the Dublin trilogy The Shadow of a Gunman Juno and the Paycock and The Plough and the Stars It considers the work produced in exile during the war and the late plays The Companion also features a number of interviews and essays by other leading scholars and practitioners including Garry Hynes Victor Merriman and Paul Murphy which provide further critical perspectives on the work Sean O'Casey Ronald Ayling,Michael J. Durkan,1978 **Guide to O'Casey's Plays** John O'Riordan,1984-06-18 **O'Casey Annual No. 2** Robert G. Lowery,1983-06-18 *Sean O'Casey* Daniel J. Diaz,1959 Sean O'Casey Bernard Benstock,1971 Despite brevity the analysis of O Casey s personal and professional career is penetrating and affords a contemporary study of his plays as well as a careful reading of his autobiographical writings The plots characters and action of his major plays are examined as are the playwright s distinctive use of settings and stage directions The Years of O'Casey, 1921-1926 Robert Goode Hogan,Richard Burnham,1992 This documentary history covers a period of Irish political and dramatic climax that had an impact not only on the nation but on

the world as well During these years both Ireland and its major theater attained a position however precarious of stability De Valera and the Republicans laid down their arms and entered politics while by a state subsidy the Abbey was formally recognized as the Irish National Theatre The importance of these years goes far beyond Ireland itself because the Irish masterpieces of Sean O Casey The Shadow of a Gunman Juno and the Paycock and The Plough and the Stars made an impact upon world drama nearly as profound as that of Luigi Pirandello or of Eugene O Neill As this book is a documentary history the story is told primarily through the words of the writers actors producers critics and members of the audience who themselves lived and created the story However these contemporary accounts are frequently amplified and put into modern perspective particularly at crucial moments such as a major production a final production or a death The authors have particularly done so with writers of some importance such as Edward Martyn William Boyle or T C Murray Since the theater of these years was especially influenced by the state of the country the authors give considerable space to the disruptive political events of the times Always however this is done from the particular vantage point of the theater and its workers for the Irish theater vigorously reacted to and quickly assimilated the turbulent political events of the day the raids the reprisals the burnings and the murders These 1 800 days really break into two periods The first comprises the violence of the Black and Tan War the exhaustion that led to the treaty and the bitterness occasioned by the treaty that led to the culminating ferocity of the civil war The second is politically and theatrically a time of consolidation and assimilation The two early plays of O Casey might well be seen as symptoms of this healing process The wound in the body politic was deep however and not to be so quickly or so easily healed moreover such matters as The Plough row and O Casey s departure from Ireland inevitably seem to be later more lasting symptoms of divisions that still fester in Ireland today The authors account of Ireland s drama is not merely confined to the capital city of Dublin but also to Belfast Cork and the provinces Also included are a full bibliography and cast listings of all the significant new plays produced or published during the period   O'Casey: The Dublin Trilogy Steven M. Studebaker,1985-08-12 This is a Bloomsbury Academic title For our full Academic Catalogue please visit https www bloomsbury com uk academic   O'Casey Annual No. 1 Robert G. Lowery,1982-06-18   **Encyclopedia of British Humorists** Steven H. Gale,1996 First Published in 1996 Routledge is an imprint of Taylor Francis an informa company   **Continuum Companion to Twentieth Century Theatre** Colin Chambers,2006-05-14 International in scope this book is designed to be the pre eminent reference work on the English speaking theatre in the twentieth century Arranged alphabetically it consists of some 2500 entries written by 280 contributors from 20 countries which include not only top level experts but uniquely leading professionals from the world of theatre A fascinating resource for anyone interested in theatre it includes Overviews of major concepts topics and issues Surveys of theatre institutions countries and genres Biographical entries on key performers playwrights directors designers choreographers and composers Articles by leading professionals on crafts skills and disciplines including acting design directing lighting sound and voice
