Porter, Darcee L. McLaren, 2016-02-24 Drawing on a number of methodologies and disciplinary perspectives this book boldly goes where none has gone before by focusing on the interplay between Star Trek religion and American culture as revealed in the four different Trek television series and the major motion pictures as well Explored from a Trek perspective are the portrayal and treatment of religion the religious and mythic elements the ritual aspects of the fan following and the relationship between religion and other issues of contemporary concern Divided into three sections this detailed study of religion myth and ritual in the Star Trek context extends the boundaries of the traditional categories of religious studies and explores the process of the re-creation of culture The first section explores the ways in which religion has primarily been understood in the Star Trek franchise in relationship to science technology scientism and

secular humanism What do Star Trek and its creator Gene Roddenberry have to say about religion and what does this reveal about changing American perceptions about the role value and place of religion in everyday life Section Two examines the mythic power and appeal of Star Trek and highlights the mythic and symbolic parallels between the series story lines and themes taken from both western religious tradition and the scientific and technological components of contemporary North American Society In the final section contributors discuss the mythic and ritual aspects of Star Trek fandom How have Star Trek fans found meaning and value in the television programs and how do they express that meaning in their lives Contributors include Robert Asa Michael Jindra Larry Kreitzer Jeffrey S Lamp Peter Linford Ian Maher Anne Pearson Gregory Peterson and Jon Wagner *Religious Telescope* ,1901 **Cathay** Ezra Pound,2018-12-04 Finalist Pegasus Award for Poetry Criticism Ezra Pound s *Cathay* 1915 is a masterpiece both of modernism and of world literature The muscular precision of images that mark Pound s translations helped establish a modern style for American literature at the same time creating a thirst for classical Chinese poetry in English Pound s dynamic free verse translations in a modern idiom formed the basis for T S Eliot s famous claim that Pound was the inventor of Chinese poetry for our time Yet Pound achieved this feat without knowing any Chinese relying instead on word for word cribs left by the Orientalist Ernest Fenollosa whose notebooks reveal a remarkable story of sustained cultural exchange This fully annotated critical edition focuses on Pound s astonishing translations without forgetting that the original Chinese poems are masterpieces in their own right On the one hand the presentation of all that went into the final *Cathay* makes it possible for the first time to appreciate the magnitude and the nuances of Pound s poetic art At the same time by bringing the final text together with the Chinese and Old English poems it claims to translate as well as the manuscript traces of Pound s Japanese and American interlocutors the volume also recovers practices of poetic circulation resituating a Modernist classic as a work of world literature The Pound text and its intertexts are presented with care clarity and visual elegance By providing the first accurate and unabridged transcriptions of Fenollosa s notebooks along with carefully edited Chinese texts the volume makes it possible to trace the movements of poetic ideas and poetic expression as they veer toward and away from Pound s creations In supplying the full Fenollosa texts the volume overturns decades of scholarship that has mystified Pound s translation process as a kind of clairvoyance displaying instead the impressive amount of sinological learning preserved in Fenollosa s hard to read notebooks and by detailing every deviation from the probable sense of the originals The edition also supplies exhaustive historical critical and textual notes clarifying points that have sometimes lent obscurity to Pound s poems and making the process of translation visible even for readers with no knowledge of Chinese *Cathay* A Critical Edition includes the original fourteen Chinese translations as well as Pound s unique version of *The Seafarer* which is fully annotated alongside its Anglo Saxon source Also included are Pound s fifteen additional Chinese translations from *Lustra* and other contemporary publications his essay *Chinese Poetry* 1919 a substantial textual Introduction and original essays by Christopher Bush and Haun Saussy on

international modernism the mediation of Japan and translation The meticulous treatment and analysis of the texts for this landmark edition will forever change how readers view Pound s Chinese poems In addition to discoveries that permanently alter the scholarly record and force us to revise a number of critical commonplaces the critical apparatus allows readers to make fresh discoveries by making available the specific networks through which poetic expression moved among hands languages and media Ultimately this edition not only enables us more fully to appreciate a canonical work of Modernism but also resituates the art of Pound s translations by recovering the historical circulations that went into the making of a multiply authored and intrinsically hybrid masterpiece **The Complete Poetical and Dramatic Works of Robert Browning**
