Searching for the Historical Jesus Robert Hams,2023-04-06 As a Freemason I was interested in the origins of Freemasonry which has always been shrouded in mystery However my lodge mentor George Elliott gave me a book

by John Robinson titled *Born in Blood* In that book the author put forward the theory that the origins of Freemasonry lie with the Knights Templar I knew that the Knights Templar had been accused by the Inquisition of denying Jesus Christ and I wondered how they could do that when their full title was the poor fellow soldiers of Christ and of the temple of Solomon It appeared they were denying their very reason for existence Knowing that the Knights Templar were accused of worshiping a severed head and that John the Baptist was beheaded by the authorities I thought it was possible that John could be the original Christ and the Knights Templar had discovered this fact whilst in the Holy Land and that is why they could deny Jesus Christ Christ Initially I was looking for information to confirm this but in doing so I discovered a completely different character who I believe impersonated the original Christ possibly John and created the religion we now know as Christianity That is the substance of this book **The Sunday School Journal** ,1898 **Searching for God Study Guide** Holly Lazzaro,2019-08-27 In this 6 session video based study guide DVD streaming video sold separately some of today s greatest Christian thinkers and apologists explore many of the most important questions about Christianity and what it has to offer the world today What is Christianity and how is it unique among worldviews What are some of the ideas that have influenced the way people think about it Is there any evidence for God Why does the resurrection matter Many people in today s culture hold a wide variety of ideas about religion in general and Christianity in particular some of which stem from distorted views and misunderstandings that the church can respond well to if it s well equipped The Searching for God Study Guide will draw you and your small group into a close look at the Christian faith and how it makes better sense of the universe and human nature than two of the most common non Christian theories naturalism and relativism It then examines the central event in the Christian story the resurrection of Jesus Christ and how to make a strong defense of this event Holly Lazzaro expertly leads participants into deeper reflection on the insights provided in the video study by top scholars such as Lee Strobel William Lane Craig Gary Habermas J Warner Wallace Nabeel Qureshi Paul Copan and many more This video based study is designed to be experienced in a group setting or any small gathering and includes video teaching notes group discussion questions personal reflections and Scripture readings Searching for God Video Study 025986100711 sold separately **The Church School Journal** ,1873 **Tradition to Truth: One Man's Search for Honest Answers** Jerry Mitchell,2017-04-13 Is there a secret code in the Bible Do you want the key to that code Tradition to Truth is a journey through time and tradition It will teach you how to find the answers many people have about the Bible This is a story of how one man asked for answers and discovered those answers were not what he expected If you are willing to challenge your traditions and strengthen your faith this is for you **Pillar of Fire** ,1929 **Finding Your Inner Power** Charles Fillmore,2022-11-13 In Finding Your Inner Power Charles Fillmore presents a transformative exploration of spiritual empowerment weaving together elements of New Thought philosophy with practical guidance for personal growth Employing an accessible and engaging literary style Fillmore synthesizes biblical references metaphysical insights and psychological principles that invite readers to embark on a

Keeping Alive the Rumor of God Martin Camroux, 2020-08-21 Can t you hear those little bells tinkling Down on your knees They re bringing the sacraments to a dying God wrote Heinrich Heine in 1834 It took a while but today it is happening Across the Western world the traditional picture of God is dying and institutional religion collapsing Today we are trying something never done before living with no agreed narrative that tells us who we are and with a materialist view of life It isn t enough An idea of God may have died but the mystery of our human life is of an inner depth which is not simply physical or material Marvel mystery wonder beauty love the numinous the mysterium tremendum remain the essence of who we are What I am trying to do is describe this experience in such a way that those who have not had it can get a glimpse of it from inside and understand how it can give a life meaning and purpose This is explored through a liberal Christian tradition committed to social justice and honest exploration Scripture is vital to this but so are art poetry music and beauty When most people are looking the other way we must keep the rumor of God alive
