Elizabeth Bowen Renee Carine Hoogland,1994-06-01 Immensely popular during her lifetime the Anglo Irish writer Elizabeth Bowen 1899 1973 has since been treated as a peripheral figure on the literary map If only in view of her prolific

outputten novels nearly eighty short stories and a substantial body of non fiction Bowen is a noteworthy novelist The radical quality of her work however renders her an exceptional one Surfacing in both subject matter and style her fictions harbor a subversive potential which has hitherto gone unnoticed Using a wide range of critical theories from semiotics to psychoanalysis from narratology to deconstruction this book presents a radical re reading of a selection of Bowen s novels from a lesbian feminist perspective Taking into account both cultural contexts and the author s non fictional writings the book s main focus is on configurations of gender and sexuality Bowen s fiction constitutes an exploration of the unstable and destabilizing effects of sexuality in the interdependent processes of subjectivity and what she herself referred to as so called reality

Passionate Communities Marilyn R. Schuster, 1999-06 In this new full length study of Jane Rule s life and work Marilyn Schuster argues that Rule s novels provide a way of writing and reading lesbian that resists and subverts dominant discourses of gender and sexuality both those of mainstream culture and of political and sexual subcultures From her earliest novel *Desert of the Heart* 1964 Rule s fiction has provided a challenge to the concept of a fixed identity and to the identity politics founded on such a concept Incorporating all of Jane Rule s early work including unpublished manuscripts letters magazine and newspaper columns as well as fan mail she received Schuster also draws on interviews conversations and personal encounters with the author to elicit the ways in which Rule interrogates the meanings and politics of sexuality the relationship between sexuality and language and the stakes of communities in individual claims on identity *Passionate Communities* is a thorough engaging and long overdue study of an important voice in lesbian literature and gay and lesbian politics

Sophia Parnok Diana L. Burgin, 1994-07 The weather in Moscow is good there s no cholera there s also no lesbian love Brrr Remembering those persons of whom you write me makes me nauseous as if I d eaten a rotten sardine Moscow doesn t have them and that s marvellous Anton Chekhov writing to his publisher in 1895 Chekhov s barbed comment suggests the climate in which Sophia Parnok was writing and is an added testament to the strength and confidence with which she pursued both her personal and artistic life Author of five volumes of poetry and lover of Marina Tsvetaeva Sophia Parnok was the only openly lesbian voice in Russian poetry during the Silver Age of Russian letters Despite her unique contribution to modern Russian lyricism however Parnok s life and work have essentially been forgotten Parnok was not a political activist and she had no engagement with the feminism vogueish in young Russian intellectual circles From a young age however she deplored all forms of male posturing and condescension and felt alienated from what she called patriarchal virtues Parnok s approach to her sexuality was equally forthright Accepting lesbianism as her natural disposition Parnok acknowledged her relationships with women both sexual and non sexual to be the centre of her creative existence Diana Burgin s extensively researched life of Parnok is deliberately woven around the poet s own account visible in her writings The book is divided into seven chapters which reflect seven natural divisions in Parnok s life This lends Burgin s work a particular poetic resonance owing to its structural affinity with one of Parnok s last and greatest poetic achievements the cycle of love

lyrics Ursa Major Dedicated to her last lover Parnok refers to this cycle as a seven star of verses after the seven stars that make up the constellation Parnok's poems translated here for the first time in English added to a wealth of biographical material make this book a fascinating and lyrical account of an important Russian poet Burgin's work is essential reading for students of Russian literature lesbian history and women's studies
