**In Search Of The Key Of David** D. Sistare,2018-03-26 Yeshua Jesus placed the Key that unlocks the Chamber of Knowledge in the Underworld to be held until his return For over two thousand years the Key has remained hidden Now the Key is missing and the Underworld is in turmoil The Key must be found to prevent a war that would destroy the earth As three people supernaturally gain knowledge of an unusual symbol they are drawn together One quest three people with three different agendas enter the underground caverns of Utah with plans to find and follow the symbol The professor believes the symbol will lead him to the Fountain of Youth and he is running out of time The physician believes the symbol will lead to the cure for every disease and she wants that cure The reverend turned shaman has been appointed protector of the symbol by his Native American tribe and he must protect it at all costs Will the supernatural power hidden within the mysterious symbol be enough to protect them from the paranormal forces intent on destroying them Before they can escape from the Underworld they must discover which key is hidden within a key One key is for man to use One key if used incorrectly can destroy the world Which if either is the Key of David that they have found And why is the mysterious changing symbol leading them deeper into the Underworld

**Windfall** Erika Bolstad,2023-01-17 Beneath the windswept North Dakota plains riches await At first Erika Bolstad knew only one thing about her great grandmother Anna she was a homesteader on the North Dakota prairies in the early 1900s before her husband committed her to an asylum under mysterious circumstances As Erika s mother was dying she revealed more Their family still owned the mineral rights to Anna s land and oil companies were interested in the black gold beneath the prairies Their family Erika learned could get rich thanks to the legacy of a woman nearly lost to history Anna left no letters or journals and very few photographs of her had survived But Erika was drawn to the young woman who never walked free of the asylum that imprisoned her As a journalist well versed in the effects of fossil fuels on climate change Erika felt the dissonance of what she knew and the barely acknowledged whisper that had followed her family across the Great Plains for generations we could be rich Desperate to learn more about her great grandmother and the oil industry that changed the face of the American West forever Erika set out for North Dakota to unearth what she could of the past What she discovers is a land of boom and bust

cycles and families trying their best to eke out a living in an unforgiving landscape bringing to life the ever present American question What does it mean to be rich      *Official Report of the Debates of the House of Commons of the Dominion of Canada* Canada.
