Medizin Bibel      **National Library of Medicine Current Catalog** National Library of Medicine (U.S.),1965      Rophe: A Study of Medicine in the Bible Allan G. Cogle M.D.,2023-02-09 Old Testament and New Testament views of medicine and physicians were in many ways opposite According to ancient interpretations of the Book of Deuteronomy all misfortune whether disease calamity etc was a punishment from God for the commitment of some sin If illness was produced by God then healing could only come directly from God without the intervention of physicians and many times only through the priest Many ancient theologians felt that physicians acted against God s will in trying to aid in healing In fact one writer in the Talmud says in effect that the best of physicians was destined to go to hell and the medical profession was counted among the seven professions who would not share in heaven In spite of a rather low assessment of doctors the ancient Jews were a healthy lot in large part due to dietary and sanitation laws Contrast this with New Testament teaching Indeed Luke was the beloved physician and the writer of one of the Gospels Jesus said It is not those who are healthy who need a physician but those who are sick In this book we explore biblical teachings about medicine in both Old and New Testaments Also we will study dietary and health laws that have bearing on today s life and lifestyle      **Bibliography of the History of Medicine** ,1979      **Medicine in the Biblical Background** Robert North,2000 The author in view of the coverage of Medicine in his annual bibliography *Elenchus of Biblica* 1980 95 was invited to this survey at a Madrid Alcalá summer institute      **Search the Scriptures** Robert Benjamin Greenblatt,1968      **Current Catalog** National Library of Medicine (U.S.), First multi year cumulation covers six years 1965 70      The Signature of God, Revised Edition Grant R. Jeffrey,2010-07-20 YOU CAN BELIEVE THE BIBLE WITHOUT ANY DOUBT As American society becomes more secularized Christians need to know all the facts about the Bible Dr Grant R Jeffrey has spent decades researching history science archaeology medicine and prophecy finding that each discipline confirms the truth of Scripture This revised and updated edition of *The Signature of God* proves that the Bible is not only accurate in its spiritual claims but is completely reliable as well on matters of origins medicine history and science Historians of the ancient world as well as recent archaeological finds confirm the names of kings and kingdoms and the dates of wars and mass migrations mentioned in the Bible Recent breakthroughs in astronomy physics and medical science have shown that God s Word accurately described the universe and the processes of human life before scientific research caught up And hundreds of fulfilled prophecies show that God revealed the future to his prophets in order to undergird the faith of his people No matter how loudly the skeptics argue against Christian faith only one conclusion makes sense the Bible is God breathed You can believe every word every claim every prophecy and every miracle With no doubts      *The Signature of God* Grant R.
